

Virtual School Inquiries

Information on both schools can be found through their respective websites. Both are found [here](#).

Secondary Virtual School (SVS)

- The Principal of SVS sent out an email to all SVS students late last night so it should be in their Inbox – please check
- Teachers will be posting information to Teachassist
- Student to access their TA account for information
- Some classes still being confirmed and this may take time today to complete
- Students that are requesting a course change in the SVS should be directed to contact the guidance department staff and / or preferably have guidance staff contact the family.
- The first two days are for connecting and orientation
