8.	Selection of logo for school council	<p>8.1 Discussion theme: need to conclude the project of logo in this meeting. Important to wrap up as we have heard from/ lost parents in this process who do not see this as a worthy investment of their time. Parents would like to be involved in school council, would rather invest time in relevant topics regarding school and kids/ not interested in extending the life of this project. Should be proud of the work of our kids and move forward with one of the pieces of work presented.</p> <p>8.2 R2 E1 won the vote for school council logo.</p> <p>8.3 Process of elimination captured in the PPT sent out by Alex</p> <p>8.4 Peter and Anu would like prize money to be spread out.</p> <p>8.5 School council votes to award prize money to 1st, 2nd and 3rd place.</p> <p>8.6 Anu and Peter are donors and will decide how they would like to allocate prize money and communicate this to the school admin for distribution to appropriate students.</p> <p>8.7 Can offer Mike and Ria's feedback to first place student who can revise and return the logo. Concluding that this is also not mandatory work and whatever the outcome, we will move forward and honor the creativity of our students.</p>
