Mission

To advance student achievement and well-being through public education, which motivates learners, fosters inclusion, inspires innovation and builds community.

Vision

To be a leader in a public education by empowering all students to become engaged and caring citizens of the world.

Values

Our School Board operates based on a set of values which guides our actions:

Inclusivity

We demonstrate equity and inclusivity in all that we do. We demand an environment in which all students, staff, parents and our community feel valued and have a sense of belonging. We expect empathy, mutual respect and understanding to be demonstrated in our words and actions.

Relationship

We value positive, meaningful relationships with students, staff, parents and our community. We value diversity of opinion, sincere dialogue and community engagement.

Innovation

We continuously strive to provide the best educational programs for all students. We empower staff and students to take initiative and to be innovative leaders.

Engagement

We encourage active participation in all learning and activities by creating an environment that engages students, staff, parents and our community.

Responsibility

We are individually and collectively responsible for creating the best possible school community to support the achievement and well-being of all individuals. We are responsible for the delivery of effective and sustainable educational programs and stewardship of Board resources.

Optimism

We approach all situations with optimism. We cultivate confidence and resiliency in all students and staff.
