Welcome to the 2021-2022 school year! Learning continues, even during a pandemic. Schools play a critical role in supporting students' learning, as well as children's emotional health and overall well-being. Throughout the pandemic, YRDSB staff, teachers, students and their families showed resilience and an incredible ability to overcome many challenges. With this experience, we are hopeful that together we will be able to make the most of this upcoming year and enjoy it to the fullest!

Join our PEAC Meetings

PEAC meetings are public events, and all are welcome to attend. Do you and your school council have a positive practice that you would like to share with our Board and other school councils? Let us know, and you may have an opportunity to speak at one of our upcoming meetings, or be featured in a future edition of Engagement Matters.

Chalk the Walk

Chalk the Walk is a fun community event where people come together to write positive messages and draw pictures with a simple sidewalk chalk.

It is a low cost event because everyone can bring their own chalk. You can safely follow COVID protocols and social distance requirements by inviting students, staff and families to come throughout the day to avoid a large crowd.

Simply make a drawing and wait until the next day to see the smiles on everyone's face as they enter the building. It is very easy to organize. Just spread the word and watch the miracle happen!

Supporting New Families with a Family Ambassador Program

Each year, we welcome new families to our schools, and we can all relate to the feeling of when you are new to a school and there is so much unknown and uncertainty ahead. In addition, having English as your second language, or being a newcomer to Canada, can be a stressful time.

To help our new families, consider launching a Family Ambassador Program at your school. This program is aimed to connect families seeking support in the new community to families who are willing to give them that support. To do that, you will need to create a database to connect volunteers with new families and support the process.

Steps to creating a Family Ambassador Program

- Set up two Google forms (one for Ambassadors and one for the new families seeking support)
- Have a volunteer maintain a database of people and connect them to one another
- Include information about the program in the school information package, and promote it in your school newsletters
- Seek feedback on what is working and what is not, and adjust the program accordingly

Examples of the Forms

Use these forms to help guide you when setting up your program.

Fundraising During a Pandemic

Many schools engage in fundraising as a way to help enhance their students' academic experience. Fundraising during a pandemic may require some creative thinking, but it is still a fun and potentially profitable way to engage your school community. Here are some tips, ideas and guidelines to help you with your efforts.

Guidelines and tips...

- At this time, lunch programs are not permitted.
- If you are selling packaged goods, find vendors who can deliver the product directly to the consumer's home through the mail or a courier company.
- Remember that Public Health safety guidelines must be followed when planning and hosting a fundraiser or event.
- Guidelines to inform the school's fundraising plan and activities can be found in the YRDSB Policy and Procedure #676, School Fundraising and Administration of School Generated Funds

Communicating with School Councils and PEAC

Your voice matters, especially when it comes to your child's education. Finding ways to be involved, sharing your ideas, and learning more about how to support your child are just some of the ways that you can enhance your engagement with the school. Here are some access points to help you connect with your school council or PEAC. You may also contact your school office for information that is specific to your school council.
