Notices

Departures and Arrivals of School Staff

As the end of the semester approaches, we are preparing to say farewell to some staff who will be moving to a different school for Semester 2.

- Our principal, Christopher Hilmer, will be leaving Williams after seven-and-a-half years to become principal at Milliken Mills High School in Markham. He will be replaced by Ms. Melissa Schmidt.
- Ms. Keri Crosby, specialized teacher, will move to York Hills.
- Ms. Sandeep Bening from the Math department will return to Williams next year.
- Ms. Eirwen Tsui from the ESL and English departments will move to Thornhill Secondary School just for next semester.
- Mr. Matthew Johnson from the Science and Math departments will return to Williams next year.
- Ms. Jennifer Romero from the English department will move to Stephen Lewis Secondary School.
- Ms. Janice Fu from the French department will move to Stephen Lewis Secondary School.
- Mr. John Crawford of the History department retired earlier this month.

We will also say farewell to a number of teachers who were with us on extended assignments:

- Mr. Zac Flavelle from the English department
- Ms. Zafira Hoosainny from the English department
- Mr. Frank Krascek from the Technology department
- Ms. Cassandra Jackson from the Special Education department
- Mr. Eric Smale from the History department
- Mr. Paulis Kim from the Business department

Please extend a warm Williams welcome to the following teachers who are new or returning to Williams in Semester 2:

- Mr. Patrick Manson in the Technology department
- Ms. Melissa Kauffeldt in the Business department
- Mrs. Stephanie Cannata in the English department
- Ms. Sarah Isber in the Special Education department
- Ms. Bo Veale in the Visual Arts department
- Mr. Jonathan Stathopoulos in the Technology department
- Ms. Galina Ivanovskaya in the ESL department

Lost and Found

We have a large number of Lost and Found items that are on display in the front foyer. These items include jackets, sweatshirts, water bottles, pencil cases, etc. Items that are not picked up by early next week will be donated to charity. Please remind your child to pick up any of their own lost items.

School Council

The next School Council meeting is on Monday, January 20 at 7:00 p.m. in the school library. All parents are welcome.

Tragic Events

Here are some suggestions on handling tragic events with children.

Families are encouraged to:

- spend time together,
- limit media exposure to the event,
- create time for conversation and checking in,
- validate their child's feelings,
- ask for help as needed, and
- find a calm and relaxing activities to do at home.

It is very important to limit exposure to media coverage, particularly for young children. If children or youth are watching the news or accessing information online, parents and caregivers should be available to check in and talk to their children about it.

Families and educators will support children and youth to understand and cope with the impact of death and feelings of loss. Most children and youth are resilient and will cope well with the support and caring of their families, teachers, friends, and other caring adults. However, young children may have particular difficulty understanding and describing their feelings and emotions. Parents can contact the school's Guidance Department if their child needs further support.

Aquatics Program

The Town of Aurora is proud to partner with the York Region District School Board's Continuing Education to offer the Aquatic Leadership Program. The two-part program is conducted in a blended learning format, which includes pool instruction, in-class instruction and online learning. Upon completion, successful students may earn certifications to be used to work as a lifeguard or a swim instructor.

Healthy Living and Aquatic Activities (PAQ2O1) – must be 13 years of age or older and eligible to earn high school credits – must be able to swim 400 metres continuously – earns a high school credit as well as Lifesaving Society's Bronze Medallion, Lifesaving Society's Bronze Cross, Lifesaving Society's Standard First Aid with CPR-C

Recreation and Healthy Active Living Leadership (PLF4M) – must be 16 years of age by the last day of the course, have Lifesaving Society's Bronze Cross and Standard First Aid with CPR-C – earns a high school credit as well as Lifesaving Society's national Lifeguard Pool, Lifesaving Society's Lifesaving Instructor, Red Cross' Water Safety Instructor

The course is being offered at the Stronach Aurora Recreation Complex (1400 Wellington Street East) on Mondays and Wednesdays from 5 p.m. to 8 p.m. Students can register for the course in one of two methods:

1. Register through YRDSB's Continuing Education website
2. Register through the Town of Aurora's e-PLAY website. Each program costs \$250.00 per semester.

Please contact Adrian Wong at awong@aurora.ca or 905-727-3123 ext. 3127 for more information.

Youth Engagement Program – March Break

This program is geared to mature students in Grade 9 – Grade 12 who may be interested in Policing or working within a Police service (not mandatory).

This program is very structured and has a physical fitness component which all participants will be involved in.

This program is designed to assist students in gaining self-confidence, self-discipline, self-awareness and resiliency.

Students must be:

- Resident of York Region
- Between the ages of 15-18 years old
- Currently in Grade 9 – Grade 12
- Currently attending a York Region Secondary School
- Complete an Essay and submit with the application
- All students must have their own transportation to this program – public transit is not an option

Our Goal:

- To have a week of learning and to experience a small portion of what the recruitment process may be like when applying to York Regional Police
- To enable you to get to know yourself better, your strengths as well as areas you can enhance
- To have you meet other students with similar goals and form lasting friendships
- To have you interact and work with Officers who will continue to mentor you during this week.

How to Apply:

- Interested applicants please **email** csv@yrp.ca requesting a copy of the application
- Applications must be completed digitally and emailed back to csv@yrp.ca

For more information or further questions contact:

Debbie Robinson #5459, Supervisor, Community Safety Village, York Regional Police by email at csv@yrp.ca

ESL Classes for Adults

Improve your listening, speaking, reading, and writing skills in English. The new semester begins January 27. Register now for daytime, nighttime, or weekend classes. Call 905-731-9557 or 905-305-4122 for more information.

Upgrade your skills for employment. Learn how to use email, Google Suite, Microsoft Word, Excel, Outlook, PowerPoint, Publisher, Access, One Note, and more. Math, reading and writing classes available for work or academic upgrading (GED, apprenticeship, college). Book an appointment by calling 905-731-9557.

Severe Weather

In the event of severe weather, the Board has three levels of action:

- Extreme Cold Days when roads are clear, but extreme cold temperatures make it difficult for buses to operate reliably, posing a safety risk to students waiting at bus stops. Student transportation will be cancelled. Schools will otherwise operate as usual.
- Inclement Weather Days when road or weather conditions make it impossible to operate a school bus safely. Student transportation will be cancelled. Schools and workplaces will be open; however, all teachers may not be at school that day.
- Rare Emergency Weather Days (School Closures) when all schools and workplaces will be closed. Decisions about school closures will be made as early as possible, and no later than 6:00 a.m.

Severe weather information is communicated through local media outlets, the Student Transportation Services website, School Transportation Hotline: 1-877-330-3001, the Board's website and Twitter account, and on the Board and school's voicemail recording.

Parents are responsible for using their best judgment to decide whether or not to send their child(ren) to school on days when buses are cancelled and schools remain open.

Bus or School Cancellations

When an **inclement weather** or **extreme cold** or day is declared, school transportation (including buses and taxis) are cancelled in the morning and afternoon. Schools will remain open. If you drive your child to school, or your child takes alternate transportation, you must make arrangements for your child to get home at the end of the school day. Please call the school if your child will not be attending school on those days. Students will not be penalized for missing school on these days.

There may be rare instances when **emergency winter events** occur and we need to close all schools and Board locations. Please take the time to make plans in the event of an emergency school closure.

Information about transportation cancellations and Board closures will be shared through local media, [Board](#) and school website and on [twitter @YRDSB](#).

Our process for extreme cold, inclement weather and emergency weather days are outlined in the Board's [Severe Weather policy](#), which has been recently updated and is available for public comment. Seeking feedback from staff and community members, including parents/guardians, is an important part of the review process. All [policies available for comment](#) are sent to school council chairs and are posted on the Board website, along with information about how to provide feedback.

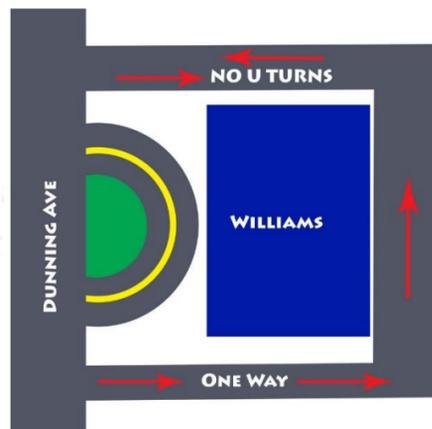

Driveway and Parking Lot

The safety of all students must be everyone's first priority. Please follow the procedures below.

There is one-way traffic in our front driveway loop. In the front driveway loop, drop off/pick up students on the right side; drive through only on the left side. For safety reasons, do not drop off/pick up students on the left side.

At the end of the school day, the front driveway loop is closed to regular traffic from about 2:40 to 3:15. Only school taxis and buses are to use the front driveway loop at the end of the day in order to create a safe place for our students with special needs. Once all the school taxis and buses leave the front driveway loop around 3:15, regular traffic may use this area.

There is one-way traffic in the west entrance and on the south (back) side of the school. It is two-way traffic on the east side of the school. Do not make U-turns anywhere in the east parking lot from Dunning Avenue to the south parking lot. Making a U-turn in this area creates an unsafe condition for pedestrians and other vehicles. If you need to turn around, please pull into a parking spot and carefully back out. Thank you for your cooperation with this!
