Message from the Principal

We look forward to returning to classes next week despite a further province wide shut-down. Please ensure that everyone continues to follow all COVID safety precautions over this long weekend to allow everyone to remain safe as we return to classes. We know that all of our staff, students and families are looking forward to this break away from school and hope that everyone enjoys the time for relaxation.

Take care and stay safe!
Melissa Schmidt

Notices

World Autism Awareness Day is an internationally recognized day on **2 April** every year, to highlight the need to help improve the quality of life of those with autism so they can lead full and meaningful lives as an integral part of society. Autism is a lifelong neurological condition that manifests during early childhood, irrespective of gender, race or socio-economic status. The term Autism Spectrum refers to a range of characteristics. Appropriate support, accommodation and acceptance of this neurological variation allow those on the Spectrum to enjoy equal opportunity, and full and effective participation in society.

Holocaust Memorial Day or Yom HaShoah

April 8th, 2021, is [Holocaust Memorial Day or Yom HaShoah](#). A Virtual Cross-Canada [Yom HaShoah Commemoration](#) will be available on April 8th, 7:00pm. This is a day set aside to remember the horrors of the Holocaust, and in particular, the murder of 6 million Jews by the Nazi Regime. While Yom HaShoah was born out of a desire for the solemn commemoration of lives lost, it has grown into a celebration of resistance and struggle for human dignity in the face of unspeakable Nazi cruelty. Intentionally, the date aligns with the historic Warsaw Ghetto uprising, which saw thousands of Jews fight back against Nazi oppressors.

Guidance

- YRDSB Summer School e-Learning information is now available. Click [here](#) to see more information regarding registration, timelines and course offerings.
- Non-YRDSB and/or Private school course marks for graduating students are due June 18, 2021.

Drop-In Virtual Support for Students

There are virtual drop-in sessions available every morning, from 8:30 am – 11:00 am, in order to provide a go-to place for students to ask general questions and get extra support while learning from home during their asynchronous days. The sessions will be supported daily by a (SERT) Special Education Resource Teacher. Students should check the Guidance Google classroom to access the link for the drop-in sessions.

Updated Self-Screening Guidelines

Process:

- Step 1: Secondary students to complete on-line self-assessment [COVID-19 School and Child-Care Screening Tool](#) prior to entering the school daily, on the days they are required to attend Face to Face classes.
- Step 2: Upon completion of the self-assessment, complete response to the question: "Have you completed the self-screening test?" in the Confirmation [Form](#).
 - o Student receives an email response when they respond "Yes". The email will include a colour code specific to the day of the week:
 - o **MONDAY**, **TUESDAY**, **WEDNESDAY**, **THURSDAY**, **FRIDAY**
 - o Upon entering through the school designated entrances, student to provide confirmation of completion of the self-screening by showing the colour coded email response to staff, as they arrive at their designated entrance by way of:
 - On phone – email or picture of email from their computer
 - Hard copy print off of email.
 - If neither option is available, they can provide verbal response confirming completion
 - o Supervising staff member checks with students upon entry.
 - o Students who indicate they "did not" complete the self-assessment are to be directed to the posted COVID-19 School and Child-Care Screening tool to review the questions and provide verbal response to staff member.
 - if "no" to all, direct to class, or
 - if "yes" to any, direct to the designated isolation room for pickup and will be advised to attend an assessment center.

We are aware that student absences are likely to increase due to the increased screening protocols. Students requiring isolation at home during Face to Face classes should connect directly with their teacher who will support them with learning at home during their absence.

Student Attendance

Thank you to everyone for supporting us with our efforts to increase the tracking of student attendance. To ensure we can continue to support student engagement and well-being we require accurate attendance records. **Parents\guardians are required to justify every student absence with a reason.**

Students currently attending the adaptive model must contact via email (drgwilliamss.attendance@yrdsb.ca) or phone call (905-727-3131, ext. 1) prior to 9 am in the morning regarding a student absence.

For any student over 18, they are responsible for reporting their own absences unless they have completed a [Consent Information Sharing For Students at the Age of Majority](#) form.

If you have any questions about your child's attendance or supports available at the school, please contact your child's Vice Principal:

Mr. Brar (Harmandeep.brar@yrdsb.ca)
or their [Guidance Counsellor](#).

Report It

Our schools should be safe, welcoming and inclusive places for everyone. It is important that students know what to do if they witness or experience inappropriate behaviour or incidents of hate or discrimination.

- There may be situations when you can safely step in and intervene and help.
- Talk to an adult at school, family member or other trusted adult.
- Report the event without the person involved knowing using our online reporting tool, Report It.

Report It lets you share information about inappropriate student behaviour or incidents of hate or discrimination. You can use the online form to report:

- bullying, drugs, cheating, vandalism, harassment, violence or any other inappropriate behaviour
- incidents of discrimination or hate, including anti-Indigenous racism, ableism, anti-Asian racism, anti-Black racism, antisemitism, classism, homophobia, Islamophobia, sexism, transphobia or other forms of hate

You can report events that happen at school, at school-related events, online or off school property if it negatively affects a student or the school climate. You can also choose to make a report anonymously.

Complete reports are shared with the school to investigate and respond.

Acts of discrimination, hate and bullying are never acceptable. Using the Report It tool is a way of standing up for each other and for ourselves.

You can find Report It on the homepage of the Board website at www.yrdsb.ca and on the homepage of every school website, or watch this [short video](#) to learn more.

211 Ontario

Ontario 211 is a free and confidential helpline that connects you to community and social services in your area 24 hours a day, 365 days a year, in over 150 languages. Adult ESL Program

YRDSB offers Adult English as a Second Language (ESL) programs for those who want to develop effective language skills in speaking, listening, reading, and writing for daily life in Canada. We also offer specialized classes in Citizenship and Conversation. Please visit the enclosed [link](#) for more information. Alternatively, you can access this information by visiting the [Newsletters](#) tab of our website. Farsi, Russian, Simplified Chinese, and Tamil versions available.

Math Enrichment Opportunities

Due to the adaptive model we are following this year, we cannot offer the typical array of math contests and math club enrichment opportunities at Williams. However, thanks to some accommodations made by Universities, it is possible that our students can still participate in some of these activities. To best communicate these opportunities, we have created a "Math Club" Google Classroom that contains links to enrichment opportunities as well as all the information (and relevant links) we currently have with regard to the contests we normally participate in. We will not be running an actual Math Club through the classroom, but we will continue to update

it with any pertinent information and/or links throughout the school year. The Math Club Classroom is open to any Williams students who would like to join. Please use the join code: cxwtmf4

Driveway and Parking Lot

The safety of all students must be everyone's first priority. Please follow the procedures below.

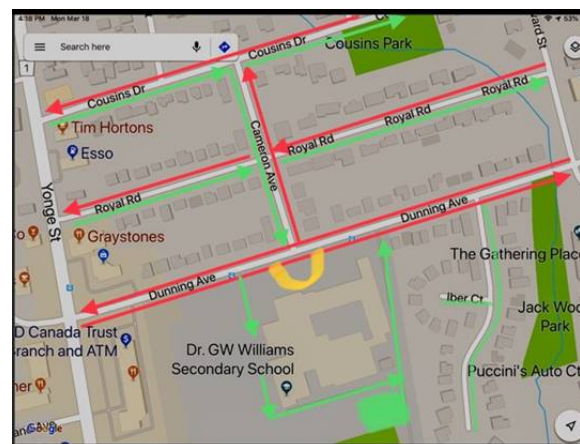

At the end of the school day, the front driveway loop is closed to regular traffic from about 10:40 to 11:00. Only school taxis and buses are to use the front driveway loop at the end of the day in order to create a safe place for our students with special needs. Once all the school taxis and buses leave the front driveway loop around 11:00, regular traffic may use this area. To support our efforts to ensure physical distancing, we ask that you make arrangements to meet your students at the nearest exit from their classroom (in one of the parking lots) or off school property (down the street, around the corner, etc.). Please see the maps below to support your efforts.

There is one-way traffic in our front driveway loop. In the front driveway loop, drop off/pick up students on the right side; drive through only on the left side. For safety reasons, do not drop off/pick up students on the left side.

There is one-way traffic in the west entrance and on the south (back) side of the school. It is two-way traffic on the east side of the school, however, during the end of morning pick-up time you will have noticed the admin directing all vehicles to enter the west lot ONLY so that we have a constant flow out of the east lot. This adjustment has made a significant positive impact on safety for all and makes it easier and less stressful for everyone. When you are able to enter the east lot, do not make U-turns anywhere in the east parking lot from Dunning Avenue to the south parking lot. Making a U-turn in this area creates an unsafe condition for pedestrians and other vehicles. If you need to turn around, please pull into a parking spot and carefully back out.

Please note that Dunning Avenue is a **no stopping zone**. This is noted by the signage along the street and on the map above you can see the red arrows on both sides of the street. Our School Council previously worked with local by-law officials to identify areas within the neighbourhood that parents can pick up their students. Please note the arrows in green and red to support the effective flow of traffic in the area.

Thank you for your cooperation with this!
