<b>Fri. Apr. 30</b>	<b>Holy/Good/Great Friday (Eastern):</b> Many Orthodox churches retained the Julian calendar after the Gregorian calendar was introduced in Europe in 1582. Therefore, they often follow a different Easter date compared with many western churches. Easter holidays, such as Good Friday, are “moveable feasts” as these dates change according to calendar calculations.

### Message from the Principal

Our new phone system is installed and working well. We did have a small hiccup accessing voicemails on the school general and attendance accounts so our apologies if there were delays in responding to any messages left (especially with attendance updates). This was resolved on Wednesday afternoon and there should be no challenges moving forward. With the stay at home order in place our office staff continue to work remotely and can be reached through our school email addresses. They will also be picking up messages from our phone system throughout the day to respond to requests.

We thank all our staff and students (and families) for their diligence in pivoting once again to remote learning. We know that this is challenging for everyone and that many students are struggling with virtual learning. Everyone appreciates the situation we have found ourselves in currently in Ontario though and know that this is necessary to maintain our health care system to serve all of us. We are hopeful that if we all follow the recommendations for the coming weeks we will get to see each other in person before long. At this time we have no update from the Ministry on timelines for our current remote learning session. Please follow [www.yrdsb.ca](http://www.yrdsb.ca) or @YRDSB on Twitter for the most recent information.

Thanks to everyone this week that participated in celebrating International Day of Pink as well as Earth Day. It is always great when we have the opportunities to reflect on these important topics and continue to remind ourselves of the importance of stopping cyberbullying and protecting our environment.

Take care and stay safe!  
Melissa Schmidt

### Notices

#### Secondary Summer School Programs

Registration for Secondary Summer School programs is now open to YRDSB students through MyPathwayPlanner. Remote Learning is replacing face-to-face learning in the summer of 2021. Please review [flyer](#) for more information.

#### YoungLeaders.World Conference

On April 29th, from 11 a.m. – 2 p.m., YoungLeaders.World is hosting a conference entitled “The Story of My Life: The Next Chapter”. We have registered our school and would like to invite our Grade 11 and 12 students to participate in this FREE special event that is being broadcast live in Alberta by Production World Studio. On their [website](#), the event is described: “Join incredible keynote speakers as they share their stories and encourage you to get excited about writing your own. After each segment, you will be asked to work in your workbook to start to personalize “The Story of My Life.” From wherever you are tuning in, you will be able to gain clarity and control over your future.”

As our school is already registered with YoungLeaders.World for the conference, interested Grade 11 and 12 students simply need to complete the FREE SchoolCash Online event to provide parent permission (students over 18 may complete the SchoolCash Online themselves). Registration through SchoolCash Online should be submitted by April 26. (Students DO NOT register on the YoungLeaders.World website)

**Report It**

Our schools should be safe, welcoming and inclusive places for everyone. It is important that students know what to do if they witness or experience inappropriate behaviour or incidents of hate or discrimination.

- There may be situations when you can safely step in and intervene and help.
- Talk to an adult at school, family member or other trusted adult.
- Report the event without the person involved knowing using our online reporting tool, Report It.

Report It lets you share information about inappropriate student behaviour or incidents of hate or discrimination. You can use the online form to report:

- bullying, drugs, cheating, vandalism, harassment, violence or any other inappropriate behaviour
- incidents of discrimination or hate, including anti-Indigenous racism, ableism, anti-Asian racism, anti-Black racism, antisemitism, classism, homophobia, Islamophobia, sexism, transphobia or other forms of hate

You can report events that happen at school, at school-related events, online or off school property if it negatively affects a student or the school climate. You can also choose to make a report anonymously.

Complete reports are shared with the school to investigate and respond.

Acts of discrimination, hate and bullying are never acceptable. Using the Report It tool is a way of standing up for each other and for ourselves.

You can find Report It on the homepage of the Board website at [www.yrdsb.ca](http://www.yrdsb.ca) and on the homepage of every school website, or watch this [short video](#) to learn more.

**Adult ESL Program**

YRDSB offers Adult English as a Second Language (ESL) programs for those who want to develop effective language skills in speaking, listening, reading, and writing for daily life in Canada. We also offer specialized classes in Citizenship and Conversation. Please visit the enclosed [link](#) for more information. Alternatively, you can access this information by visiting the [Newsletters](#) tab of our website. Farsi, Russian, Simplified Chinese, and Tamil versions available.

**Math Enrichment Opportunities**

Due to the adaptive model we are following this year, we cannot offer the typical array of math contests and math club enrichment opportunities at Williams. However, thanks to some accommodations made by Universities, it is possible that our students can still participate in some of these activities. To best communicate these opportunities, we have created a "Math Club" Google Classroom that contains links to enrichment opportunities as well as all the information (and relevant links) we currently have with regard to the contests we normally participate in. We will not be running an actual Math Club through the classroom, but we will continue to update it with any pertinent information and/or links throughout the school year. The Math Club Classroom is open to any Williams students who would like to join. Please use the join code: cxwtmf4

**Driveway and Parking Lot**

The safety of all students must be everyone’s first priority. Please follow the procedures below.

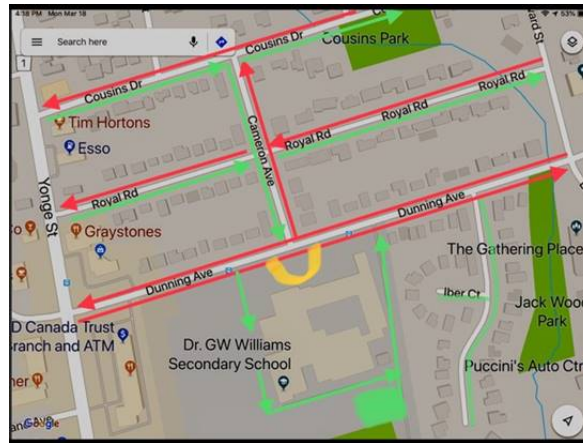

**At the end of the school day, the front driveway loop is closed to regular traffic from about 10:40 to 11:00.** Only school taxis and buses are to use the front driveway loop at the end of the day in order to create a safe place for our students with special needs. Once all the school taxis and buses leave the front driveway loop around 11:00, regular traffic may use this area. To support our efforts to ensure physical distancing, we ask that you make arrangements to meet your students at the nearest exit from their classroom (in one of the parking lots) or off school property (down the street, around the corner, etc.). Please see the maps below to support your efforts.

There is one-way traffic in our front driveway loop. In the front driveway loop, drop off/pick up students on the right side; drive through only on the left side. For safety reasons, do not drop off/pick up students on the left side.

There is one-way traffic in the west entrance and on the south (back) side of the school. It is two-way traffic on the east side of the school, however, during the end of morning pick-up time you will have noticed the admin directing all vehicles to enter the west lot **ONLY** so that we have a constant flow out of the east lot. This adjustment has made a significant positive impact on safety for all and makes it easier and less stressful for everyone. When you are able to enter the east lot, do not make U-turns anywhere in the east parking lot from Dunning Avenue to the south parking lot. Making a U-turn in this area creates an unsafe condition for pedestrians and other vehicles. If you need to turn around, please pull into a parking spot and carefully back out.

Please note that Dunning Avenue is a **no stopping zone**. This is noted by the signage along the street and on the map above you can see the red arrows on both sides of the street. Our School Council previously worked with local by-law officials to identify areas within the neighbourhood that parents can pick up their students. Please note the arrows in green and red to support the effective flow of traffic in the area.

Thank you for your cooperation with this!
