Message from the Principal

We look forward to welcoming Cohort A students back in the building on Tuesday and Cohort B students back in the building on Wednesday. I know there have been a lot of communications recently and we thank you for taking the time to review each communication to ensure that our transition back to Face to Face learning is successful and safe for everyone.

In the notices below we have highlighted some of the most important elements to ensure that you have the information you need in one spot. Key things to remember upon the return next week are the mandatory daily self-screening requirements, arrivals/dismissals including limits on congregating outside the school and attendance. Knowing that York Region continues to be under a Stay at Home guideline it is crucial that families follow and reinforce the guidelines we have put in place to support our school community to remain safe.

We wish everyone a Happy Lunar New Year, Happy Valentine's Day and Happy Family Day. Regardless of what you choose to celebrate over this long weekend, take the time to express gratitude and reflect on the positives in our lives. It makes us all feel good to say it out loud and to hear it from each other.

Notices

Arrivals and Dismissals – **UPDATED!!**

Following the guidelines, provided by public health, congregating on school property will be further discouraged as we return to classes next week.

WE NEED YOUR HELP WITH THE FOLLOWING ELEMENTS OF OUR ARRIVAL – DISMISSAL PLAN

Arrivals – please drop your student off at the door closest to their classroom (Front, Back or East) doors as highlighted on the [school map](#). Students may not enter the building prior to 8 am. Please don't arrive to school prior to this time as we will not have staff available to welcome students and complete the mandatory screening process. It is extremely important in the morning to follow this protocol so that we have adequate staff to check the self-screening confirmations and have students sanitize their hands while entering the building. The designated entrances will ensure the minimum amount of congregating while entering the building.

Please remind your child to leave the school via the exterior door closest to their classroom and leave the property as soon as their class is dismissed (reminder that we dismiss Odd and Even classrooms 5 minutes early on given days to assist with dismissal congregating).

Make arrangements to meet your child off school property on one of the side streets near the school (see map below). Not only is the fresh air and short walk good for their mental health, you will have less wait time and your child will not need to congregate on the property while waiting for you.

Updated Self-Screening Guidelines – **NEW!!**

Process:

- Step 1: Secondary students to complete on-line self-assessment [COVID-19 School and Child-Care Screening Tool](#) prior to entering the school daily, on the days they are required to attend Face to Face classes.

- Step 2: Upon completion of the self-assessment, complete response to the question: "Have you completed the self-screening test?" in the Confirmation [Form](#).

- Student receives an email response when they respond "Yes". The email will include a colour code specific to the day of the week:

- MONDAY**, **TUESDAY**, **WEDNESDAY**, **THURSDAY**, **FRIDAY**

o Upon entering through the school designated entrances, student to provide confirmation of completion of the self-screening by showing the colour coded email response to staff, as they arrive at their designated entrance by way of:

- 📱 On phone – email or picture of email from their computer
- 📄 Hard copy print off of email.
- 🗣️ If neither option is available, they can provide verbal response confirming completion

o Supervising staff member checks with students upon entry.

o Students who indicate they “did not” complete the self-assessment are to be directed to the posted COVID-19 School and Child-Care Screening tool to review the questions and provide verbal response to staff member.

- 🗣️ if “no” to all, direct to class, or
- 🗣️ if “yes” to any, direct to the designated isolation room for pickup and will be advised to attend an assessment center.

We are aware that student absences are likely to increase due to the increased screening protocols. Students requiring isolation at home during Face to Face classes should connect directly with their teacher who will support them with learning at home during their absence.

Student Attendance

Thank you to everyone for supporting us with our efforts to increase the tracking of student attendance. To ensure we can continue to support student engagement and well-being we require accurate attendance records. **Parents\guardians are required to justify every student absence with a reason.**

Students currently attending the adaptive model must contact via email (drgwilliamsss.attendance@yrdsb.ca) or phone call (905-727-3131, ext. 1) prior to 9 am in the morning regarding a student absence.

For any student over 18, they are responsible for reporting their own absences unless they have completed a [Consent Information Sharing For Students at the Age of Majority](#) form.

If you have any questions about your child’s attendance or supports available at the school, please contact your child’s Vice Principal:

Course Selections

Course selections may begin to be submitted electronically on Tuesday, February 16th, 2021 and must be completed by Wednesday February 24, 2021. Information regarding course selection can be found on your graduating grade Google Classroom.

Adult ESL Program

YRDSB offers Adult English as a Second Language (ESL) programs for those who want to develop effective language skills in speaking, listening, reading, and writing for daily life in Canada. We also offer specialized classes in Citizenship and Conversation. Please visit the enclosed [link](#) for more information. Alternatively, you can access this information by visiting the [Parents](#) tab of our website. Farsi, Russian, Simplified Chinese, and Tamil versions available.

Math Enrichment Opportunities

Due to the adaptive model we are following this year, we cannot offer the typical array of math contests and math club enrichment opportunities at Williams. However, thanks to some accommodations made by Universities, it is possible that our students can still participate in some of these activities. To best communicate these opportunities, we have created a "Math Club" Google Classroom that contains links to enrichment opportunities as well as all the information (and relevant links) we currently have with regard to the contests we normally participate in. We will not be running an actual Math Club through the classroom, but we will continue to update it with any pertinent information and/or links throughout the school year. The Math Club Classroom is open to any Williams students who would like to join. Please use the join code: cxwtmf4

RTC Computer Purchase Program

Once again we are pleased to offer this to our Williams families. Please see the attached flyer below for more information on accessing this program.

Driveway and Parking Lot

The safety of all students must be everyone’s first priority. Please follow the procedures below.

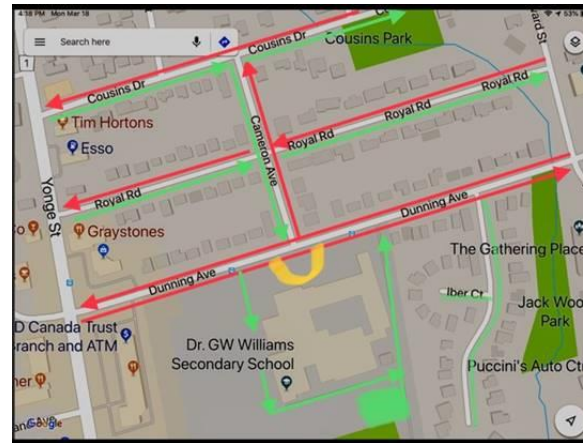

At the end of the school day, the front driveway loop is closed to regular traffic from about 10:40 to 11:00. Only school taxis and buses are to use the front driveway loop at the end of the day in order to create a safe place for our students with special needs. Once all the school taxis and buses leave the front driveway loop around 11:00, regular traffic may use this area. To support our efforts to ensure physical distancing, we ask that you make arrangements to meet your students at the nearest exit from their classroom (in one of the parking lots) or off school property (down the street, around the corner, etc.). Please see the maps below to support your efforts.

There is one-way traffic in our front driveway loop. In the front driveway loop, drop off/pick up students on the right side; drive through only on the left side. For safety reasons, do not drop off/pick up students on the left side.

There is one-way traffic in the west entrance and on the south (back) side of the school. It is two-way traffic on the east side of the school, however, during the end of morning pick-up time you will have noticed the admin directing all vehicles to enter the west lot **ONLY** so that we have a constant flow out of the east lot. This adjustment has made a significant positive impact on safety for all and makes it easier and less stressful for everyone. When you are able to enter the east lot, do not make U-turns anywhere in the east parking lot from Dunning Avenue to the south parking lot. Making a U-turn in this area creates an unsafe condition for pedestrians and other vehicles. If you need to turn around, please pull into a parking spot and carefully back out.

Please note that Dunning Avenue is a **no stopping zone**. This is noted by the signage along the street and on the map above you can see the red arrows on both sides of the street. Our School Council previously worked with local by-law officials to identify areas within the neighbourhood that parents can pick up their students. Please note the arrows in green and red to support the effective flow of traffic in the area.

Thank you for your cooperation with this!
