Message from the Principal

Please ensure that you have read the important updates that were sent Friday to all families. We apologize for any confusion caused by sending to our remote learners but some of the information (ie. attendance) still applies.

We look forward to seeing parents at the School Council on Monday evening at 7pm.

Take care,
Melissa Schmidt

Weekly Highlights

Inclement Weather

Please note that, currently, the forecast for Monday, January 17, includes the potential for significant snowfall. Similar to last school year, we have made the decision to [close schools to students when an inclement weather day is declared](#) and school transportation is cancelled. If an Inclement Weather day is declared, all students will be provided with asynchronous learning activities for the day. Students should login into their Google classroom for assigned work each period. Please do not send your child to school when an inclement weather day is declared.

Listen to the news in the morning and check our website after 6:30 am for details if the storm that is being tracked moves into our area.

COVID Self-Screening

- Step 1: Secondary students to complete on-line self-assessment [COVID-19 School and Child-Care Screening Tool](#) prior to leaving home on a daily basis.
- Step 2: Upon completion of the self-assessment, complete response to the question: "Have you completed the self-screening test?" in the [Confirmation Form](#) (must be logged into their GAPPS account to complete)
- Step 3: Enter the school via the outside door closest to the Period 1 classroom (as indicated in email sent on Jan 14) with the email confirmation ready to show the staff on duty. Doors will open at 8:00 am

School Photos Were Completed on November 18 & 19.

2022-2023 STUDENT TRUSTEE ELECTIONS

"If you will be in grade 11 or 12 next school year and are passionate about student voice, consider becoming a student trustee, and representing students across YRDSB.

Student trustees network with students, staff and the Board of Trustees to share information that gives students a meaningful voice. Learn more about the role and how you can apply at www.yrdsb.ca/studenttrustees.

The deadline to apply is January 21.

Four candidates will be selected to run for the two student trustee positions and all students in grades 5-12 will have an opportunity to vote. Students will receive information on how to vote in the election during the campaign and voting period.

In addition, an Indigenous Student Trustee will be selected by Indigenous students of the board through a separate election this year."

Tune In YRDSB - A podcast on Anchor

Tune In YRDSB is the first podcast of its kind in Ontario. Here we will explore a wide range of topics related to education in York Region and beyond. We look forward to inspiring learning through storytelling. Please [tune](#) in and enjoy the experience.

A Note to Remember when visiting our School

Please remember when visiting our school, you must first [use the doorbell](#) at our front door and someone will assist you. The main office is available from 9:00am to 3:30pm for any pick-ups or drop offs by using the doorbell and one of our staff will be happy to come out to assist you.

Please [do not enter](#) the building without an appointment. If you have any questions please do not hesitate to call.

Attendance

Parents are reminded to use the drgwilliamss.attendance@yrdsb.ca to report absences. All absences must be justified with a reason.

If students are required to self-isolate due to a COVID exposure or positive test result, please indicate that in your email as this is coded differently and is not reflected on the attendance tally reported on the student report card. Additionally, your child's Vice Principal (Ms. Conlon A-Li, Mr. Brar Lo-Z) will then connect with you to arrange learning during their absence.

COVID Self-Screening - Confirmation required again when we return to Face to Face learning

Process:

- Step 1: Secondary students to complete on-line self-assessment [COVID-19 School and Child-Care Screening Tool](#) **prior to entering the school on a daily basis.**
- Step 2: Upon completion of the self-assessment, complete response to the question: "Have you completed the self-screening test?" in the [Confirmation Form](#)
 - Students will receive an email response when they respond "Yes".
 - The email will include a colour code specific to the day of the week:
 - **MONDAY**, **TUESDAY**, **WEDNESDAY**, **THURSDAY**, **FRIDAY**
 - Upon entering the school through designated entrances, students are to provide confirmation of completion of the self-screening by way of:
 - On phone – email or picture of email from their computer
 - Hard copy print off of email.
 - If neither option is available, they can provide verbal response confirming completion

Screening and testing help control the spread of COVID-19. Even if you or your child is fully vaccinated, you must continue with daily screening and testing if you or your child have one or more of COVID-19 symptoms.

All students who are experiencing symptoms consistent with COVID-19 as identified in the screening tool (not related to a COVID-19 vaccine), must not enter any school and follow the guidance in the screening tool, which may include seeking appropriate medical attention as required, and/or getting tested for COVID-19.

Where possible, students must maintain a physical distance at all times, as they enter, move through and exit the building.

Daily Announcements

Our announcements are posted to the school website each day for students and parents to access under the [News & Events](#) heading. We will have a text version of all announcements that will be updated each day. We hope that this addition will help our school community (and especially our remote learners that aren't here to hear the announcements each day) to stay in touch with what is happening at the school.

Guidance

Night School Credit Courses & Night School e-Learning

- Semester Two, winter 2022 Registration for YRDSB Night School and Night School e-Learning is now open. Please visit the YRDSB Continuing Education webpage for course offerings and more information.

Safety and Community Notices

Driveway and Parking Lot

At the end of the school day, the front driveway loop is closed to regular traffic from about 2:15 to 2:40. Only school taxis and buses are to use the front driveway loop at the end of the day in order to create a safe place for our students with special needs. Once all the school taxis and buses leave the front driveway loop around 2:40, regular traffic may use this area. To support our efforts to ensure physical distance, we ask that you make arrangements to meet your students at the nearest exit from their classroom (in one of the parking lots) or off school property (down the street, around the corner, etc.). Please see the maps below to support your efforts.

There is one-way traffic in our front driveway loop. In the front driveway loop, drop off/pick up students on the right side; drive through only on the left side. For safety reasons, do not drop off/pick up students on the left side.

If you **MUST** come to the school, enter via the West lot (beside the track, closest to Yonge Street) and drive around the school to meet your child. **DO NOT** block the driveway waiting. There is one-way traffic in the west entrance and on the south (back) side of the school. **It is two-way traffic on the east side of the school, however, during the end of the day pick-up time you will notice the admin directing all vehicles to enter the west lot ONLY so that we have a constant flow out of the east lot.** This makes a significant positive impact on safety for all and makes it easier and less stressful for everyone. When you are able to enter the east lot, do not make U-turns anywhere in the east parking lot from Dunning Avenue to the south parking lot. Making a U-turn in this area creates an unsafe condition for pedestrians and other vehicles. If you need to turn around, please pull into a parking spot and carefully back out.

Please note that Dunning Avenue is a **no stopping zone**. This is noted by the signage along the street and on the map above you can see the red arrows on both sides of the street.
