### Grad Photos

Grad information booklets were distributed to all Grade 12 students in their homeroom classes. Any students who do not have a period 1 class, please pick up a booklet from the attendance office. To book your portrait appointment, please use the link: <https://prestigeportraits.ca/>. The appointments start Monday, November 25 and end Friday, November 29.

### Severe Weather

In the event of severe weather, the Board has three levels of action:

- Extreme Cold Days when roads are clear, but extreme cold temperatures make it difficult for buses to operate reliably, posing a safety risk to students waiting at bus stops. Student transportation will be cancelled. Schools will otherwise operate as usual.
- Inclement Weather Days when road or weather conditions make it impossible to operate a school bus safely. Student transportation will be cancelled. Schools and workplaces will be open; however, all teachers may not be at school that day.
- Rare Emergency Weather Days (School Closures) when all schools and workplaces will be closed. Decisions about school closures will be made as early as possible, and no later than 6:00 a.m.

Severe weather information is communicated through local media outlets, the Student Transportation Services website, School Transportation Hotline: 1-877-330-3001, the Board's website and Twitter account, and on the Board and school's voicemail recording.

Parents are responsible for using their best judgment to decide whether or not to send their child(ren) to school on days when buses are cancelled and schools remain open.

**Driveway and Parking Lot**

The safety of all students must be everyone's first priority. Please follow the procedures below.  
 There is one-way traffic in our front driveway loop. In the front driveway loop, drop off/pick up students on the right side; drive through only on the left side.  
 For safety reasons, do not drop off/pick up students on the left side.

At the end of the school day, the front driveway loop is closed to regular traffic from about 2:40 to 3:15. Only school taxis and buses are to use the front driveway loop at the end of the day in order to create a safe place for our students with special needs. Once all the school taxis and buses leave the front driveway loop around 3:15, regular traffic may use this area.

There is one-way traffic in the west entrance and on the south (back) side of the school. It is two-way traffic on the east side of the school. Do not make U-turns anywhere in the east parking lot from Dunning Avenue to the south parking lot. Making a U-turn in this area creates an unsafe condition for pedestrians and other vehicles. If you need to turn around, please pull into a parking spot and carefully back out.  
 Thank you for your cooperation with this!
