Parents for Children's Mental Health

The Parents for Children's Mental Health parent support group is holding its next meeting on Monday, October 21. The topic is "Depression and Anxiety with Expert Panel: How can parents help?"

This parent support group is for parents of children with anxiety, ADHD, mood disorders, learning disability, or behavioural challenges.

Upcoming meetings are on the third Monday of each month. Meetings are at the new Aurora Kinark Office, 218 Earl Stewart Drive, Unit 7, in Aurora (one block south of St. John's sideroad, and one block west of Bayview).

Vaping

As you are likely aware, smoking and vaping are not allowed in school, on school property, during school activities, on school buses, or within 20 metres of school grounds. They also affect one's health.

Here is a link to an article on the topic of vaping written by a pediatric respirologist at Sick Kids Hospital. At the end of the article, there is a link to a Health Canada fact sheet about talking to your child about vaping.

Driveway and Parking Lot

The safety of all students must be everyone's first priority. Please follow the procedures below.

There is one-way traffic in our front driveway loop. In the front driveway loop, drop off/pick up students on the right side; drive through only on the left side. For safety reasons, do not drop off/pick up students on the left side.

At the end of the school day, the front driveway loop is closed to regular traffic from about 2:40 to 3:15. Only school taxis and buses are to use the front driveway loop at the end of the day in order to create a safe place for our students with special needs. Once all the school taxis and buses leave the front driveway loop around 3:15, regular traffic may use this area.

There is one-way traffic in the west entrance and on the south (back) side of the school. It is two-way traffic on the east side of the school. Do not make U-turns anywhere in the east parking lot from Dunning Avenue to the south parking lot. Making a U-turn in this area creates an unsafe condition for pedestrians and other vehicles. If you need to turn around, please pull into a parking spot and carefully back out.

Thank you for your cooperation with this!

School Calendar for 2019-2020

Use of Perfumes and Scented Products

Perfumes and other scented products can have a negative impact on the health and well-being of some of our students and staff members.

Allergies and sensitivities to scented chemicals can cause reactions in individuals which include shortness of breath, headaches and migraines, nausea and muscle pain, and cold-like symptoms. This can have a profound impact on an individual's ability to participate in class and to learn at school.

Students and staff have been asked to be considerate of those who are sensitive to scented products by refraining from using such products and replacing them with unscented alternatives.

Please remind your son/daughter about the importance of not wearing or using scented products to or at school. This will help us to maintain a school environment inclusive and respectful of all its members. Thank you!

Exam Schedule for Semester 1

Please be aware of these important dates, indicated below. Parents and students are reminded to not schedule appointments, trips, interviews, work, etc. during examination times.

In the event that one of the exam days is declared an inclement weather day by the Board (i.e. school buses are cancelled), the exams regularly scheduled for that day will be held on Thursday, January 30.
