

## Message From Our Trustee – December 2021

With case counts remaining relatively stable, I want to take this opportunity to thank our students, families and staff members for continuing to adhere to health and safety protocols. Your efforts are appreciated and important to protecting the health and safety of our school community members. As we have since the start of the pandemic, the school board continues to meet regularly with public health and follow their guidance. Families looking for more information or resources on COVID-19 and our schools, including health and safety guidelines, frequently asked questions and mental health resources, please visit [www.yrdsb.ca/school-reopening](http://www.yrdsb.ca/school-reopening) or York Region's [www.york.ca/safeatschool](http://www.york.ca/safeatschool).

In November, we held the **school council forums**. I appreciated the opportunity to participate in shared learning with school council representatives on priority topics including the ABCs of mental health and actioning anti-racism practices. Thank you to all of the participants and to all school council members for your partnership. There are so many valuable [ways families help to strengthen our schools and support student learning and achievement](#). We value the partnership that we have with families, and thank you for your ongoing support.

As partners, we want to support you in supporting your child's learning, achievement and well-being. The **Family Resources** page on the Board website provides quick access to online tools such as Google Classroom, School Cash Online, Edsby and more. It also provides links to information to support you in engaging in your child's learning - resources like translation tools, IT support for families and tips on protecting your child's privacy online. It also includes links to other information you may find helpful. Find it at [www.yrdsb.ca/familyresources](http://www.yrdsb.ca/familyresources) or from the link on the homepage.

Over the past few months, York Region District School Board has been conducting a review of its Trustee Areas. The boundaries of the areas that school board trustees represent change over time. The goal of the **Trustee Determination and Distribution Study** is to ensure fair and equitable representation of all public school supporters. Thank you to everyone who participated in the consultation on the proposed options. The final report will be presented at the Board of Trustees meeting on February 8. You can find more [information about the study and the recommendations on the Board website](#).

The upcoming winter season is a time of celebration for many, and I want to wish you and your families a happy, healthy and safe holiday season. I hope that over the winter break, you find time to rest, relax and rejuvenate and we look forward to welcoming you back in January.
