Approval requests to a parent/guardian

In myBlueprint, once students submit their courses they are prompted with a **Send Approval Email** option. Once clicked, a parent or guardian's email address can be added.

- After entering an email address and clicking **Send Approval Email**, the parent/guardian receives a course selection approval request email
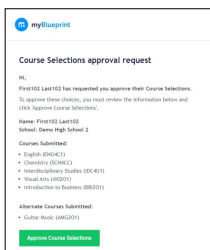

- In the course selection approval request email, the parent/guardian has the option to **Approve** or **Reject** the student's selections by clicking a button or link in the email.
