Parents familiar with morning or after school traffic know just how congested it becomes in front of the school, in the Kiss'n Ride and on the street. The safety of our students is **very important** to us; therefore, we ask for your support and cooperation when dropping off or picking up your children from school.

Most of E.T. Crowle students are within walking distance of the school. **We strongly encourage students to walk to school.**

If you are driving your child to school, please use the Kiss'n Ride loop. Please be patient, drive slowly and be careful. The Kiss'n Ride is for drop off only, not parking. Please remember, there is no parking or stopping on the North side of Larkin.

Part of our job is to keep your children **safe and alive**. We are trying to teach the students to cross the road at a designated intersection with the crossing guard. Please be a good role model for your child and do not cross Larkin without the help of the crossing guard. The Crossing Guards are located at Larkin Ave. and Fincham Ave. and on Larkin Ave. and Heisey Dr. Crossing guards are on duty in the morning and after school.

**Please remember: the best way to get to school... is to walk!**

**LET'S GET OUR KIDS SAFELY OFF TO SCHOOL AND BACK HOME AGAIN!**

## **For Children:**

- Look in all directions before crossing the street
- Cross only at marked crosswalks, intersections, or with the assistance of a crossing guard
- Dress to be seen and for changing weather
- Walk in well-travelled areas and avoid short cuts
- Try to walk with others whenever possible

## **For Parents:**

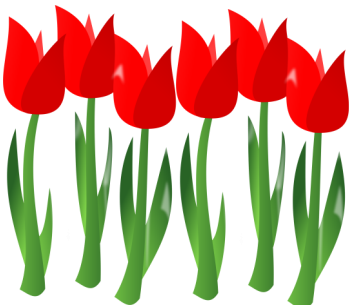

- Review street-proofing tips with your children on an on-going basis
- Make sure you know the route they take to and from school
- Try to arrange for them to walk with a friend
- Ensure your children wear reflective clothing if travelling in the dark

## **For Drivers:**

- Slow down and drive with care. Imagine a child darting in front of your car and ask yourself this:

**Would I be able to stop if I had to?**

- Give children the right-of-way at crosswalks and intersections and obey the direction of crossing guards
- Pay attention to school bus signals and stop arms.

## Ms. Ringler's Class

Students in Ms. Ringler's class celebrated their cultural heritage and had a feast of ethnic cuisine fit for a king!

The Scholastic Book Fair was a huge success once again at Crowle. Students were so excited to “shop” during school and after the pancake breakfast! Thank you to the community for supporting this event. We raised \$913 for the school which will be used for new books for the Learning Commons. A special thank you to the following parents that were instrumental in making this event a success; Alison Hicks, Karen Hicks, Kerry Edmondson, Helen Yu, Jenn Miron and Tania Jenkins.

A big thank you to the school council who organized the pancake breakfast. It was a perfect way to start the school day and a chance to attend the book fair. We hope to do this again next year

### Reminder: Contribute to Strategic Planning at YRDSB - Upcoming Town Halls and Survey

[Online registration](#) is still open for York Region District School Board's strategic planning town halls. YRDSB is revisioning its Multi-Year Plan (MYP) and Board Improvement Plan for Student Achievement and Well-being. The Board of Trustees is responsible for setting the strategic direction of public education in York Region public schools. The MYP incorporates the direction established by the Trustees with feedback received from all stakeholders, and will inform decision making at the Board in the years to come. Town halls will be taking place across the region and feedback collected from families and community members will inform the creation of a new MYP. Your voice is important and your input and feedback will help York Region District School Board support student achievement and well-being. An [online survey](#) is available in April to share your thoughts if you are unable to attend a town hall.
