## **MILK PROGRAM**

Starting on **Monday, November 14, 2016**, we will once again begin the milk program at E.J. Sand Public School. Students who order milk will have it delivered daily at the beginning of lunch for the entire order period. **Milk will not be sold individually.**

Students may order 250mL of either 2% white or 1% partly skimmed chocolate milk for only **75¢** daily.

The milk program runs as a term prepay plan, with the first term covering the period of **Monday, November 14<sup>th</sup> to Thursday, February 2<sup>nd</sup> 2017**. 46 days of milk will cost only **\$34.50**. Please make the cheque payable to **E.J. Sand Public School.**

*Please note, the 46 days does not include P.A. Days or holidays. As well, there will be no milk delivered on Monday, January 8<sup>th</sup>, 2017 due to delivery schedules.*

Students who are absent in Grades 4 – 8 will be “double delivered” to use up their milk orders as much as possible. For absences in Grades K -3 and long-term absences, a credit will be given for term 2.

All profits from this fundraiser will go towards the Intermediate year-end trip.

**Please use a separate form for EACH child.**

**PLEASE DETACH & RETURN BY Monday, November 7, 2016**  
**PERIOD: November 14<sup>th</sup> – February 2<sup>nd</sup>, 2017**
