WEDNESDAY, NOVEMBER, 14, 2018 IS *Take Our Kids to Work™* DAY!

Mark your calendars and plan to make this a memorable day of learning!

Take Our Kids to Work™ invites students in Grade 9 to spend a day at work with a parent, relative or volunteer host to help them connect school, the world of work and their futures.

Take Our Kids to Work™ is a national career education event sponsored by the Learning Partnership and supported by the Ministry of Education and the York Region District School Board.

It is important to remember that this day is devoted to students observing others in a workplace setting. Please note that students under the age of 16 are restricted from being on a construction site, even for observation purposes.

On Wednesday, October 24, all Grade 9 students will be provided with program details and a Family Guide. Carefully read the guide and note that the 'Consent Form' and 'Elements of Risk' sections need to be detached, completed and returned to your child's period two teacher on Tuesday, November 6. *Take Our Kids to Work™* - step into your future for a day!

GUIDANCE AND CAREER EDUCATION

The **PATHWAYS TO OPPORTUNITY** evening is taking place on **Thursday, November 15th from 6:30 p.m. - 8:30 p.m.** This is an event where students and their parents/guardians have an opportunity to meet with representatives from various universities and colleges, as well as numerous other post-secondary institutions, in order to learn more about the different programs they offer.

The 40 hours of Community Involvement is a Ministry of Education diploma requirement without which an Ontario Secondary School Diploma cannot be issued. Students are reminded to submit notification forms for pre-approval to Mrs. Genova in the Guidance and Career Education Office prior to completing an activity. There are a number of potential graduates that currently have hours outstanding. Students are encouraged to come by the Guidance and Career Education Office to explore these opportunities.
