MESSAGE FROM THE PRINCIPAL

Continuing Terry Fox' legacy of the Marathon of Hope. Everyone at ECSS is part of "the big picture" for a worthy cause and in coming together to be part of a welcoming school community. Just like Terry Fox, we are not quitters and we will RISE! Wishing everyone a happy and healthy Thanksgiving.

Over the course of the past two years many Ontario school boards have been working on the migration of their student information systems to a modernized system. The student information system is integral to school operations and is complex in nature. Over the summer, the board implemented this new student system and as is the case with any new project of this magnitude we experienced a small number of implementation challenges. Our Information Technology Services team is working diligently with the associated vendors to resolve the issues. We recognize that these issues may have caused some inconveniences for regular school procedures and will work to provide regular communications to families.

CLUBS FAIR

Our Clubs Fair this week showcased all the clubs that have traditionally run at ECSS and some new clubs like the STEM Club, Academics Club and more.

INTERVIEW NIGHT - BOOKING INFORMATION - TEACHASSIST

We are pleased to announce that Interview Night will be taking place at Emily Carr on **October 27, 2022**. ECSS will be using teachassist to manage our Interview Night scheduling. Families will be able to make appointments beginning on October 18, 2022.

INTERVIEW NIGHT 2022 - IMPORTANT TIMELINES

October 18, 2022	TeachAssist Interview Night scheduler opens to families:
October 18 - 26	Families make Interview Night appointments on TeachAssist
October 27	Interview Night, 6:00 p.m. to 8:00 p.m.

INTERIM MARK & INTERVIEW NIGHT:

In semester one, families will receive three reports including the Interim Report, Mid-Semester Report and Semester End Report. Our reports provide you information about your child's achievement throughout the first semester. These reports will be distributed via student GAPPS accounts.

Interim reports are part of the ongoing communication from our school to support student achievement and well-being. We hope that this report will provide valuable feedback for your child while supporting conversations about learning at home. Distribution of your child's interim report card for the first semester will begin on October 19, 2022.

GAPPS PROFILE IMAGES

Between October 11-14, 2022, students may customize their YRDSB Google Apps (GAPPS) profile pictures [within parameters established by the YRDSB](#). This will enable students to express or represent themselves in their profile images, while prioritizing safe and inclusive learning and working environments for all of our students and staff.

What does this mean for my child?

- Students will have an opportunity to select a customized profile picture that meets [YRDSB guidelines](#).
- Students will receive guidelines and considerations based on their grade level to support them in selecting and/or creating an appropriate profile picture.
- This is optional. Students who do not select an image will continue to have their first initial as their GAPPS profile image.
- Students will have two opportunities each year, during the fall and again in the spring, to change their images.

YRDSB does not tolerate any forms of hate or discrimination. In the past, it came to the Board's attention that YRDSB Google Apps (GAPPS) profile pictures were being used to spread online hate through racist imagery shared and uploaded to GAPPS accounts. These images cause pain and can make other students and staff members feel unsafe, marginalized and unwelcome in our learning environments.

Appropriate actions were taken to address this issue, including a mandatory learning series for all students, mandatory training for all YRDSB staff, and temporarily removing access to customizing profile images. YRDSB will be continuing to implement measures that support student safety over the course of this school year. These measures include providing teachers with ongoing access to resources and support for addressing issues of hate.

Students are also encouraged to report problematic images that perpetuate hate or cause harm by speaking with a caring adult or by making use of the YRDSB's [ReportIT tool](#). More information about GAPPS profile images is [available on the Board website](#).

The SHSM is a Ministry of Education approved program. At ECSS we have the following designations for SHSM: Health & Wellness and Business.

Students receive the SHSM seal on their diploma when they:

- complete a specific bundle of 8-10 courses in the student's selected field

- develop specialized knowledge and skills
- earn credits that postsecondary educational institutions and employers recognize
- gain sector-recognized certification and career-relevant training
- engage in STEM-related activities that develop innovation, creativity and entrepreneurship
- identify, explore and refine career goals and make informed decisions about their future
- transition after graduation to apprenticeship training, college, university or the workplace
- remain flexible, with the option to shift between pathways

Graduating with an SHSM - Students who successfully complete an SHSM receive:

- an Ontario Secondary School Diploma with an embossed SHSM seal
