Morning Announcements

The time school announcements are made during the school day is changing. Currently announcements are made at the beginning of period 1. It will be shifted to the end of period 1. This will help students be in class on time for **8:00am**. This change will take effect on **Monday, January 8**. In addition this will help to ensure all of our students are able to hear the announcements and not miss important information as sometimes busses are late to the school, and some of our Grade 12 students have period 1 spare.

Hall Passes

In an effort to promote student safety and in consultation with our school council and school community members, we will be implementing a hall pass system. Each teacher will be given a hall pass for their classrooms and students wishing to leave the classroom to use the washroom must have a hall pass. Staff will also be tracking the time that a student leaves the classroom and when they return back to class.

Student Trustee Elections

All students in Grades 5-12 will have an opportunity to vote for the candidate who represents our area of the Board. There are four areas of the Board (central, east, north and west). Once the four final candidates are announced, students can vote for two of the four candidates to represent them as student trustees in the 2024-2025 school year. [Students will receive information on how to vote in the election during the campaign and voting period.](#)

Centre for Black Excellence

[Here are several events](#) that are taking place within York Region District School Board and our broader community to recognize Black History Month and beyond.

Prior Learning Assessment and Recognition (PLAR)

Prior Learning Assessment and Recognition (PLAR) is the formal evaluation and credit-granting process whereby students may obtain credits for prior learning. Prior learning includes the knowledge and skills that students have acquired, in both formal and informal ways, outside secondary school. Please see the attached information sheet.

Winter Weather

With the arrival of winter weather, we wanted to provide some important reminders about the steps we take to keep students safe when severe weather occurs.

School Transportation Cancellations

School transportation (buses and taxis) may be cancelled due to extreme cold or inclement weather. On these days, schools will remain open unless otherwise stated. If school transportation is cancelled in the morning, it will also be cancelled in the afternoon. Any special or hot lunch days and field trips will also be cancelled.

Families should use their best judgment to decide whether to send their children to school on extreme cold or inclement weather days. Students will not be penalized for missing school on those days. For safety reasons, please ensure you let the school know if your child will not be attending school that day.

School Closures

Emergency closures will be considered when conditions may not be safe for students and staff members to attend school for the full day. This may include events that significantly limit school operations or access to the school site (e.g., widespread, prolonged power failures or downed power lines).

In keeping with our current practice, we will continue to keep our schools open as much as possible. However, it is important that families have alternate childcare arrangements planned for the rare occasions when schools may be closed. Before and aftercare programs will not operate if schools are closed.

Communication to Families

Decisions about school transportation and school closures will be made as early as possible and no later than 6:00 a.m. We will do our best to notify families in advance when we may be considering closing school and Board offices. Transportation cancellations or school closures are communicated through:

- Student Transportation Services: www.schoolbuscity.com /1-877-330-3001
- [Board](#) and school website
- [@YRDSB](#) Twitter account
- Radio and TV media outlets

For more information on [severe weather days](#), please visit our website www.yrdsb.ca.

Challenge for Credit

Prior Learning Assessment and Recognition (PLAR) is the formal evaluation and credit-granting process whereby students may obtain credits for prior learning. Prior learning includes the knowledge and skills that students have acquired, in both formal and informal ways, outside secondary school.

WHAT COURSES ARE AVAILABLE TO CHALLENGE FOR CREDIT?

Grade 10 – 12 courses offered by YRDSB in regular day school.

WHAT CAN I DO NOW?

A student may begin by gathering and organizing any evidence that demonstrates the knowledge and skills related to the course for challenge. For information on any course information visit the Ministry website www.edu.gov.on.ca and follow the path:

- > English or Français
- > Secondary
- > Secondary Curriculum
- > By Grade
- > Choose a Grade
- > Choose a Subject.

Examples of evidence may include letters of reference from teachers or community leaders, certificates, sample assignments, samples of original work, a portfolio, descriptions of programs, courses or experiences that support your application.

AM I LIKELY TO BE AN ELIGIBLE CANDIDATE?

You also must be able to answer “**NO**” to all of the following questions to be an eligible PLAR Challenge candidate.

- Is the course you want to challenge a grade 9 course; a cooperative education course or a transfer course?
- Have you already earned a credit in this subject in a later grade? (for example you earned a Grade 11 music credit and now you would like to challenge the Grade 10 music course)
- Have you earned a credit in this course at a different level? (for example, you earned an ENG3C credit and now you would like to challenge the ENG3U course)
- Have you been granted/earned equivalency for this course?
- Have you previously failed this course?
- Have you previously earned a credit in English and want to challenge for ESL or ELD? (ESL – English as a Second Language; ELD – English Literacy Development)
- Have you already earned a credit in Français at a French language school and want to challenge a French as a Second Language (FSL) course?

ADDITIONAL CHALLENGE INFORMATION

Appeal Procedure

In cases where there is a disagreement with the decision of the principal about whether a student should challenge for credit, an adult student or the parent of a student who is not an adult may ask the appropriate supervisory officer to review the matter.

Repeating the Challenge

A student may submit an application for challenge for a specific course for a second time after a reasonable interval, if the student can provide reasonable evidence of additional study and experience.

Assessment and Evaluation

Assessment and evaluation strategies will be based on curriculum expectations and achievement charts in the Ontario curriculum policy. They will include formal tests and other assessment strategies with a balance between written work and practical demonstrations that is appropriate for the subject/discipline and that may include written assignments, quizzes, demonstrations, performances, laboratory work, and observation of the student.

Withdrawal Policy

A student may withdraw from the challenge process prior to the final formal test without a notation on the student's Ontario Student Transcript (OST). If students have entered the final phase of the challenge process in the summer, and then choose to withdraw from the process, a mark will be entered on the OST (Grade 11 and 12) and on the Cumulative Tracking Record (Grades 10-12).

Final Mark

The student's final percentage grade will be recorded on the student's Ontario Student Transcript (OST) in the same way as achievement in other courses. For challenges of Grade 10 courses, only passing percentage grades will be entered on the OST. For challenges to Grade 11 and 12 courses, both passing and failing percentage grades and withdrawals will be entered on the OST. The teacher will communicate the mark to you once the challenge is complete.

The PLAR challenge assessments will take place virtually on July 2, 2024.
