Remembrance Day

Our Remembrance Day assembly will take place in the gym

Monday, November 11th from 10:30 - 11:30 a.m.

At that time, we will recognize the people who have fought in wars for peace. Our students will take part in a variety of performances and ways of recognizing the quest for peace in the world. Parents and community members are welcome to attend.

Progress Report Interviews

Progress report interviews are opportunities for parents and teachers to talk together about how to help each child succeed in school. They are very short – usually 10 or 15 minutes. It's important to prepare before the interview to make the best use of that short time. If you need more time, schedule another appointment.

Prepare

- Read your child's report card.
- Make notes about your questions and concerns.
- Talk to your child about the report.
- What do you want to ask the teacher? Make a list.

Ask Questions

- What does my child do well?
- What skills does she or he still need to develop?

Respect ~ Responsibility ~ Honesty ~ Empathy ~ Fairness ~ Initiative ~ Perseverance ~ Integrity ~ Courage ~ Optimism

- Is my child getting extra help? In what subjects?
- What is your homework policy?
- How much time should my child be spending on homework?
- How does my child get along with the other students?
- How can I help my child at home?
- What is the best way to contact you if I have more questions?
- Take notes so that you can share the comments with your child.

Follow Up

Talk to your child. Stress the positive things the teacher said. Talk about how you and the teacher are going to help with the things that need to be improved.

Bus Cancellation Information

To ensure the safety of students, school bus service may be cancelled from time to time due to inclement weather, extreme temperatures and/or poor road conditions. In these cases, parents and students should develop alternate care/transportation arrangements.

Since some busing schedules begin by 7:00 a.m., cancellation decisions must be made by 6:00 a.m. to allow time to communicate this message to bus drivers. Cancellation decisions will only be made after thorough consultation with the Safety Officers of school bus companies servicing York Region and are based on several factors including precipitation, air temperature, road conditions and weather forecast.

Please note the following;

- A decision to cancel school bus service will be **region-wide** meaning all school buses, vans and taxis will not operate.
- **School bus routes may be cancelled when severe weather may not be affecting all municipalities in York Region.**

Both the YRDSB and YCDSB operate many regional educational programs. Students attending these programs are transported over large attendance areas encompassing several municipal boundaries. This limits the ability to cancel bus service using a municipality or zone methodology.

Unless otherwise stated, schools will remain open and parents can make arrangements to transport their children to and from school even if school bus service is cancelled. **If buses are cancelled in the morning, they will not operate in the afternoon. Therefore students transported to school by parents will require the same transportation home.**

Parents, students and school staff are asked to access the following radio and television stations after 6:00 a.m. to receive bus cancellation information:

Please note that school bus charters will not operate when home to school bus service is cancelled.
