Fairwood Public School is honoured to support the Terry Fox Run! We are proud of this amazing tradition at our school and we are thrilled to announce that, to date, we have participated for 14 years, raising \$11432.57 for cancer research!

### Let's keep it going!

At the age of 18, Terry Fox was diagnosed with osteogenic sarcoma and was forced to have his right leg amputated. Determined to help others suffering from cancer, he decided to run across Canada, running a marathon a day for 143 days, to raise funds for cancer research. Unfortunately, Terry's cancer returned and he was forced to end his *Marathon of Hope*, but his legacy had only just begun.

Today, the future of cancer research is very bright. Thanks to thousands of schools across Canada, The Terry Fox Foundation funds a variety of different cancer research projects such as lung, breast, ovarian, colorectal, pediatric, prostate, brain and blood.

Please help to support our school during this important initiative and carry on Terry's dream of a world without cancer.
