Please continue to check our school website for updates: <http://www.yrdsb.ca/schools/fairwood.ps>

### Honour Roll

Fairwood students continue to work hard to achieve excellent results! To be on the Academic Honour Roll, students must achieve an average in all subjects of 80% or higher. To be on the Learning Skills Honour Roll, students must achieve an Excellent in at least five of the six categories, with the other mark no lower than a G. Set some goals and remember to use your agenda to keep track of your assignments and work!

### Healthy Snacks/Lunches/Birthday Celebrations

**Fairwood is a shellfish/nut/peanut safe school.**

To support a safe and positive school for all, parents are asked to **NOT** send food containing shellfish, peanuts and nut related products to school with your child.

Parents are asked to please consider healthy, nutritious snacks and birthday treats such as fruit, veggies and dip, cheese and crackers instead of donuts, cakes and candy.

### Math Facts

Math is part of our everyday life! One of the most important ways that you can help your child with math is to encourage them to practise their math facts. Being able to quickly recall one's math facts are important because they:

- form the building blocks for higher-level math concept;
- develop proportional reasoning; and
- build confidence in one's math ability.

**Respect ~ Responsibility ~ Honesty ~ Empathy ~ Fairness ~ Initiative ~ Perseverance ~ Integrity ~ Courage ~ Optimism**

Please see below for the basic Number Sense and Numeration expectations by grade from the Ontario Curriculum. Please know that these are **END OF YEAR** expectations which will be reported on in June.

### **Math Basics ~ Number Sense**

Gr. 1 - adding and subtracting numbers to 20

Gr. 2 - adding and subtracting two-digit numbers with and without regrouping

Gr. 3 - adding and subtracting three digit-numbers; one-digit multiplication (up to  $7 \times 7$ ) and division (up to  $49/7$ )

Gr. 4 – adding and subtracting four-digit numbers; adding & subtracting decimals to tenths; one-digit multiplication (up to  $9 \times 9$ ) and division (up to  $81/9$ ); multiply and divide two-digit numbers by one-digit numbers

Gr. 5 – multiply two-digit numbers by two-digit numbers; divide three-digit numbers by one-digit numbers; multiply decimal numbers by 10, 100, 1000 & 10,000; divide decimal numbers by 10 & 100

Gr. 6 – multiply and divide four-digit numbers by two-digit numbers; add & subtract decimal numbers to thousandths; multiply and divide decimal numbers to tenths; relationships between fractions, decimals, percents and ratios

Gr. 7 – divide whole numbers by fractions and decimal numbers to hundredths; multiply and divide decimal numbers to thousandths by one-digit whole numbers; use order of operations; add and subtract fractions with like and unlike denominators; add and subtract integers; relationships between fractions, decimals, percents and ratios

Gr. 8 – add, subtract, multiply & divide fractions, operations with integers; exponents; multiply and divide decimal numbers by various powers of 10; square roots

Please refer to the school agenda for a variety of websites to practice and build your child's math facts!

### **High School Applications – Bill Crothers Secondary School**

Bill Crothers Secondary School (BCSS) is a system-wide school with a focus on healthy active living and sport. The school is open for Grade 9 to 12 students. Students and parents from across the region are invited to attend an information evening. Information will be shared regarding the vision, mission, schedule, programs, the transfer policy, and application process.

All information sessions will occur at Bill Crothers Secondary School, 44 Main Street, Unionville, Ontario, L3R 2E4 from 7 – 8:30 in the cafetorium and Gym A

**Thursday September 26, 2019**

**and**

**Wednesday October 2, 2019**

**Meet and Greet – 6:15 – 7:00 pm  
Presentation 7 – 8:30 pm**

Due to building capacity regulations, we request that only students and parents interested in attending BCSS for the school year 2020 - 2021, attend one of these evenings. Parking is limited so we ask that parents carpool or park at the GO Station or the PanAm center. Markham By-law officers regularly enforce the parking regulations on school property, so please abide by the posted parking regulations. Please respect our neighbors and **do not** park in their parking lots.

With appreciation,

Jill Maar  
Principal

Earl Liverance  
Vice Principal
