2020-2021 ~ Online Kindergarten Registration

Kindergarten
Registration
Information

Kindergarten registration for September 2020 begins January 17 for the 2020-21 school year. Children who turn four or five years old during 2020, live within the school boundary and whose parents are public school tax supporters will be eligible to register for kindergarten.

If you, or someone you know, is registering a child for Kindergarten at our school, you can access the online registration information at bit.ly/KindergartenYRDSB.

Families are still welcome to register in person in the school office. Registration forms are available on the Board's website at www.yrdsb.ca. A kindergarten information session for parents is being planned for this spring. If you have questions about registration, please contact the office.

French Immersion—Registration begins January 17, 2020

Information sessions for the French Immersion (FI) program will take place at **Keswick Public School on January 16, 2018 at 7:00 p.m. FI registration will begin January 17, 2020.** In order to streamline the registration process, parents or guardians of Senior Kindergarten students entering Grade 1 in 2018, and wishing to enroll in the FI Program, can visit or call the school office and request an *Office Index Card - short version*.

The Office Index Card must be signed by the principal of the home school. Parents or guardians then take this form, along with one piece of identification showing their address to Keswick PS to register between January 17 and February 7, 2020. This eliminates the need to provide duplicate enrollment information or to pre-register.

Late registrations are those submitted after February 7, 2020. Late registrations will be treated on a first-come, first-served basis and will be considered subsequent to registrations received during the registration period should overflow be necessary.
