'News:
'Our school did a great job raising money for the Terry Fox ;Foundation and we had fun on our run! Thank you to all of our 'families for their support in this very important cause.

Gym Schedule: Day 3 and Day 4. On those days, students should wear comfortable clothing such asstretchy pants and t-shirts.
Library Schedule: TBD. Books borrowed from the library are to be returned to classroom the following week (or earlier) so students are able to take out new books weekly.
Indoor Shoes: Each student needs a pair of indoor running shoes to keep at school, in the classroom. They must change in and out of their shoes every time they enter and exit the classroom.
Tissue boxes: Runny noses and sneezes request that each child bring in their own tissue/Kleenex box to keep handy in their desks.
