

★ Math Talk ★

-  • I agree/disagree with you because...
-  • What I heard you say was...
-  • Can you explain this to me?
-  • What were you thinking here?
-  • How did you solve it?
-  • What did you start with?
-  • Why did you choose that operation?
-  • What strategy did you use? Why?
-  • Why did you choose that strategy?
-  • How did you know your answer was right? Can you prove it?
-  • Is there another way you could solve it?
-  • What key words helped you understand?
-  • Can you explain this part to me?
-  • Does that make sense?
-  • How is this like other problems you've solved?
