

Dear Families,

Pride Month is celebrated around the globe. It's a time that many people in the 2SLGBTQ+ community (Two Spirit, lesbian, gay, bisexual, transgender, queer, questioning, and additional identities) reflect on the leaders and activism of our past and present, along with the future we are working to create.

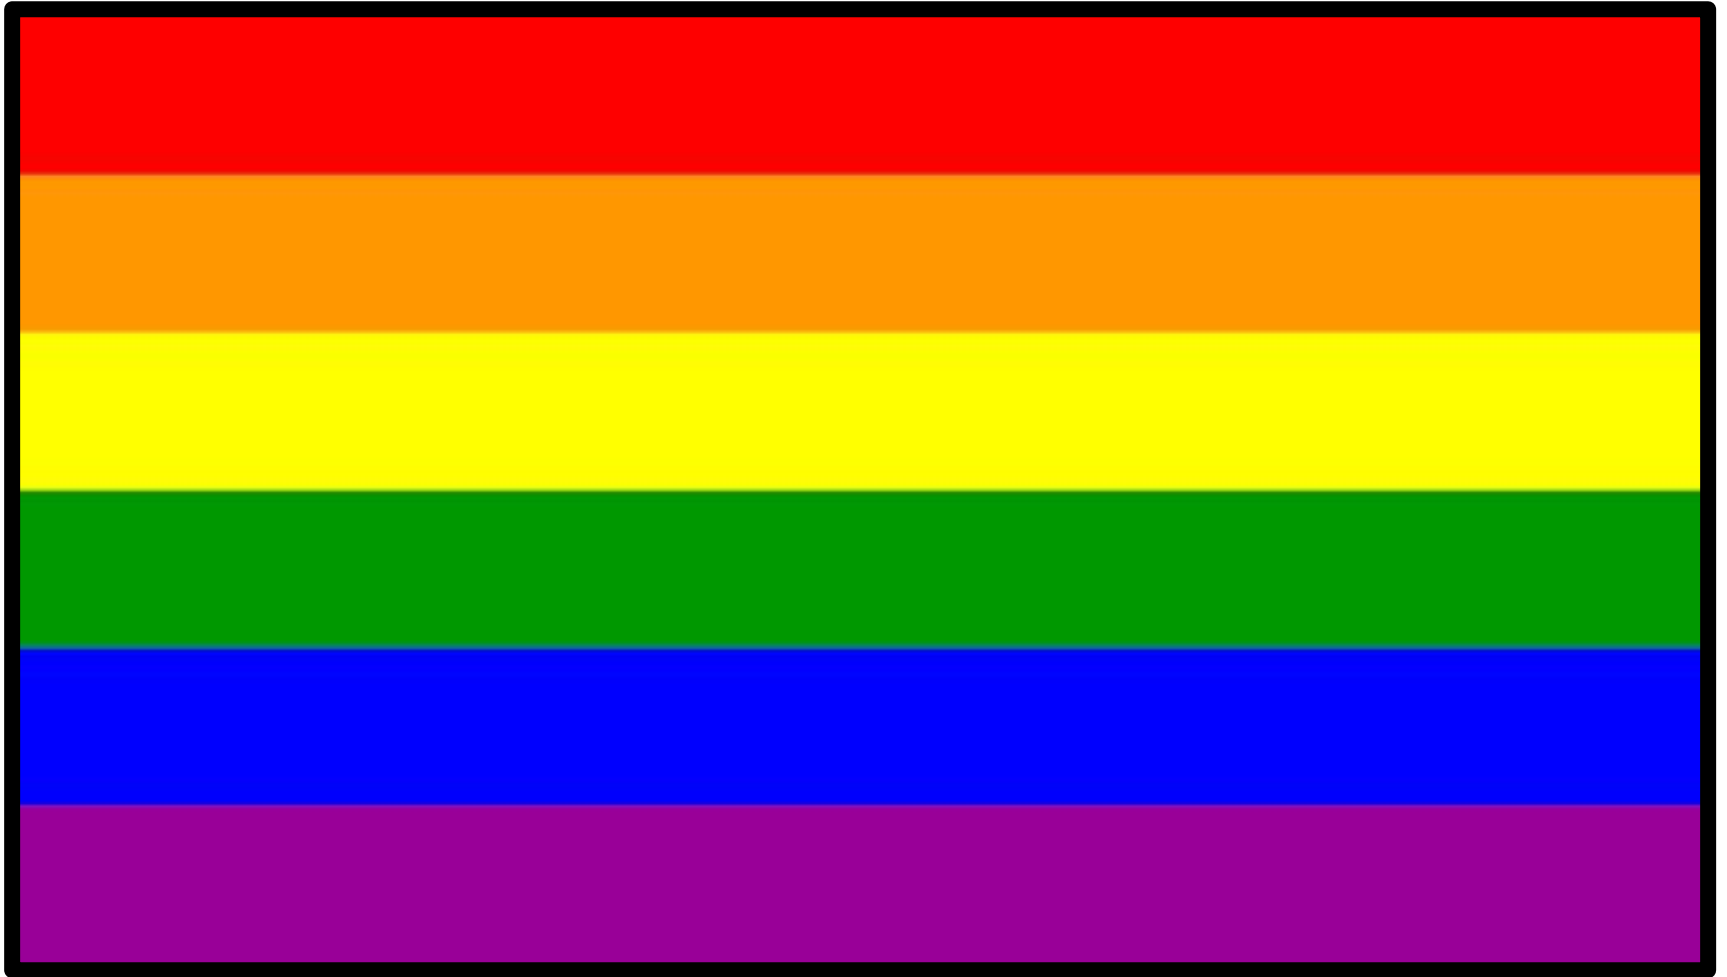

Please encourage your children to show support to the LGBTQ+ community by completing one of these activities. Take a picture and send to one of the following email addresses:
