Monthly Actions of Happiness - Attached and shared on EDSBY try the Monthly Actions of Happiness. The calendar includes actions you can take for a happier and kind world.

Full School Lockdown Drill Practice - This week classes practiced for our upcoming Lockdown Drill. Teachers worked with their classes to walk through how to physically distance during this drill. A big thank you to our staff for working with their classes to ensure students and staff safety during these important practice drills.

Appropriate use of technology - Many of our students bring their cellphones to school. As a reminder, students are to leave their cell phones in their backpacks. Cell phones will only be used under the direct supervision of a teacher and when the teacher has sent home BYOD - Bring Your Own Device permission forms. Thank you for your support with this matter.

Connect with Teachers - Your child's teacher will communicate their preferred means of communication this may be through EDSBY, email or phone. If you are not able to connect, please call the office for assistance.

Remembrance Day - We are excited to share that some of our classes will be painting Remembrance Day rocks. Watch for the painted rocks to be displayed outside GPPS. We would like to invite our Elementary Virtual School (EVS) Glad Park Students to join us and add your painted rocks to our display.

Playground update - Our playground continues to be closed during the school day. A reminder to our families, should you be using the playground after school please remind your children to physically distance and to hand sanitize.

Family Virtual Conferences will be held on **November 12 - 13th**. You will have an opportunity to meet with your child(ren)'s teacher(s) and learn more about the classroom. We regret that for health and safety reasons, we are unable to host an event at the school as we normally would, however we look forward to meeting with you virtually. **Please ensure that you have access to EDSBY to sign up for a conference time.**
