Good afternoon Glad Park families,

We hope you had a great week of learning. It has been great seeing everyone during the morning announcements!

ECO team challenge - This week's challenge: Create recycled artwork - Make art out of things like water bottles, GOOS paper, toilet paper rolls and more! Many artists do something called ECO art where they bring awareness to climate change through their art. Please share your works of art through pictures or pic collage to marina.cochrane@gapps.yrdsb.ca . We are looking forward to seeing your creations !!

O'Canada morning announcements - If you are interested in playing O'Canada on an instrument or singing during morning announcements please let your teacher or Mme Cochrane know. It was great to have Amelia R. sing O'Canada "a capella". Way to go !!
