Way to go Glad Park !!!!!!!!! With the leadership of our school ECO team we have worked as a school community to undertake environmental actions, campaigns and projects. Our ECO team has recorded our progress over the course of the school year through the EcoSchools Certification Application to earn points for our school. With everyone's commitment and dedication, GPPS is officially an ECO GOLD certified

Thank you to all of our students and classes who participated in our PRIDE celebrations this month. It was great to see everyone share their PRIDE today for our Rainbow Spirit day! Many students participated by sharing their art creations
