### COLLECTOR CARDS

We have been experiencing some challenges once again with students and Pokeman cards and baseball cards. We ask that you ensure that your children leave all cards at home and do not bring them to school. This way we do not have to worry about lost cards which upset our students greatly.

### OCTOBER ECO THEME: LIGHTS OUT

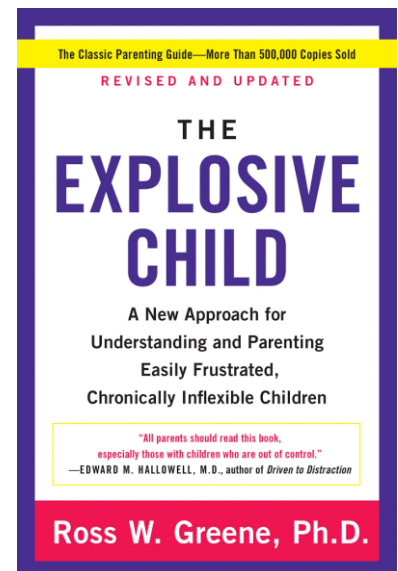

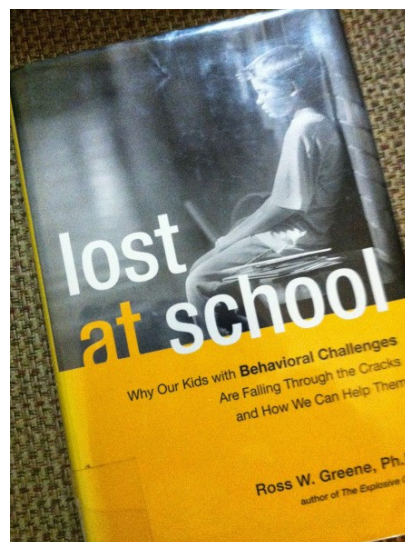

This month we challenge you to 'rethink' your use of lighting. Simply turning lights off when not using the room is an efficient way of reducing energy consumption and helps to save the environment. Do not leave bedroom lights and/or bathroom lights on when you are not in the room.

HELP SAVE OUR ENVIRONMENT

### HIGHLY RECOMMENDED BOOKS

These are some great books for problem solving with children who are frustrated and acting out.

## SCHOOL COUNCIL NEWS

It's been a great start to the year! Our last notice highlighted all the purchasing we've been able to do for our Badgers! As you know, this year we will be focusing more on building community; and as such have planned our annual Halloween dance. Each grade will have their time to boogie. The dance will be on October 31st. If you are able to volunteer, please send an email to [Harrybowescouncil@gmail.com](mailto:Harrybowescouncil@gmail.com).

The QSP magazine drive was launched again. Please remember to renew your magazine subscription. QSP orders are due on October 24th. This year we are only accepting on line orders. You can order by going to [qsp.ca](http://qsp.ca) and use our school code 3742855.

GOOD NEWS, our Badger Benches have arrived. We plan to introduce them to the kids during the next primary assembly - STAY TUNED.

Lastly, don't forget if you are at Boston Pizza, please remember to put your receipt in the Harry Bowes box next to the front door.

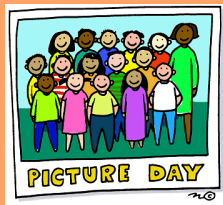

We hope everyone has a safe and happy Halloween.

Our next meeting is November 9th at 7pm. Child minders will be available if requested by the Monday before the meeting.

### PICTURE DAY

Tuesday, November 1st: JK—Gr. 3/4 plus the Community Class and Grade 8 class

Wednesday, November 2nd: Grades 4—7
