### STAFF PROFESSIONAL DEVELOPMENT ON FRIDAY, OCTOBER 28TH

For our professional development today, the majority of our staff will be receiving information about our Board's math initiative. Specifically, they will be learning about using numeracy nets, which is an assessment and planning tool designed to help teachers uncover students' misconceptions, enhance instructional response, and thus improve student learning. In the afternoon, everyone will be working independently on their own learning.

Our Kindergarten team will be learning more about the Kindergarten Addendum to Growing Success. They will be learning more about assessment (gathering and using a body of evidence to support student learning) and will be reviewing the new Kindergarten Program 2016 document.

**We hope that everyone has a fun P.A. day!**

### PARENT/TEACHER ONLINE INTERVIEW BOOKINGS

You will be able to book your parent/teacher interview very soon! This year our interviews will take place Nov. 24th from 4 pm to 8:30 pm, or on Nov. 25<sup>th</sup> from 8:30 am to 11:30 am. Parents will receive online booking instructions next week via email and hard copy. Online access to book your interview(s) will start on Nov. 4<sup>th</sup>.

### HOCKEY FOR ALL!

Do you know any Stouffville kids between the ages of 5 and 14 who would love to play hockey, but are prevented from doing so by financial circumstances? The WSMHA through its Kids First fund can provide financial assistance for hockey registration and equipment, and we still have spots available in our 2016-17 program. You can nominate a deserving child, or request financial assistance on a confidential basis by contacting Charlene at the Stouffville Minor Hockey office (905) 642-2835. Charlene will put you in touch with Kids First fund representatives who can help make that hockey dream a reality!

**Grade 7 and 8 Vaccinations**  
**November 2, 2016**

On Wednesday, November 2nd, the grade 7's will be receiving their Hepatitis B immunizations and their HPV vaccinations while the grade 8 girls will be receiving vaccinations for HPV. This year the permission forms were mailed to your homes. Please make sure that they have been returned to the school.

If you did not receive a permission form, then please use the form attached to this newsletter.

**KLEENEX NEEDED**

It's that time of year again when Kleenex are much needed. Please send a box with your child for their home-room. Thank you very much!

**TERRY FOX: FINAL RESULTS FOR HBPS**

We did it! HBPS raised \$995.05 from our Terry Fox Run!  
 Well done everyone! You should be proud of yourselves!

**COLD WEATHER DRESSING**

Please make sure your children are dressed for the weather. Unless it is unreasonably cold or wet, children will be spending one hour each day outside during morning and lunch recesses." Please send your child in:

- a warm coat
- warm hat
- mittens or gloves
- rain boots or winter boots
- no scarves please as they can easily become caught in fences, etc.

As well, please check and replace your child's spare clothes and change them to something weather appropriate! Remember, even older children need a change of clothes."
