Principal's Message

As our school year comes to an end, we would like to say farewell to families who will be moving during the summer. We wish you all the best in your new homes, communities, and schools. On behalf of the staff of Highview P.S., I would like to extend a sincere appreciation to you, our families, for the contributions that you have made to our school throughout the year. Thank you for your support, encouragement, and participation. Thank you for volunteering in our classrooms, with our teams, and on field trips. Thank you for attending athletic events, concerts performances and assemblies. Thank you for taking an interest in your child's education and progress. You are the most important "keys to success" for your child and we thank you for your partnership in their learning. I would also like to recognize all the work that has been done by our School Council this year, and the leadership of Mrs. Desrochers. As well, we would like to formally acknowledge the many contributions of Mrs. Patti Smith, who has been a very active member of our council for over 15 years. She has held many positions including president and has chaired our Spring Fair for many years as well. We would like to thank her for her contributions to the school as she will also be "graduating" from Highview this year. Please remember that all parents are welcome to attend School Council meetings and we look forward to seeing you next year!

As a staff, we extend best wishes to all of you for a safe and happy summer. We look forward to working with you as we continue to be a growing community of learners in September 2018. Please remember to read and write during the summer!

Mr. Biemiller
