CORRECTION TO PREVIOUS MINUTES: Michelle asked for the time change to 7pm

DISCUSSION ITEMS:

- Carolyn provided a brief update on the Spring Fair. Redline has added the inflatable midway for us since we do not need the generators and we will be adding the Duck Pond game for younger children. The student reps suggested a few changes as well, as a result the following inflatables were changed;
 - Adrenaline Rush to Trifecta
 - Splash Slide to Polar Plunge
- Council has also asked Carolyn to get a quote on the mechanical bull. Once Carolyn confirms the availability and pricing with redline she will speak with Barb Sutton regarding the deposit. Janis also suggested moving the art show and auction into the lunchroom as last year was very difficult outside due to the weather, we will also look at having coffee/hot chocolate in the lunchroom. In order for the art work to be framed for display and sale we will look at having a “frame drive”, once all the frames are collected the artist will be able to come in and choose a frame for their piece.
- Council discussed the time change as 7pm is a little hard for some members therefore the new meeting time will be 7:15pm.

Meeting adjourned at 8:00
