Centennial College: See Where Experience Takes You

When Centennial College was founded as Ontario's first public college in 1966, it focused on preparing students for burgeoning new careers in business, communications and social services. Rapidly expanding public services such as recreation and child care needed new kinds of practitioners, and the college emphasized careers that were geared to the local economy. By contrast, today's Centennial College is an integral part of the global economy. With 7,000 international students enrolled at its Toronto campuses, Centennial has become a cosmopolitan learning destination that transcends borders and brings tangible benefits to all who learn here.

Learning should be visceral, imaginative, liberating and empowering. At Centennial, it is. Graduates are prepared to do meaningful work and lead meaningful lives. Students are given significant opportunities to engage, both locally and internationally. Volunteer experiences through our Global Citizenship and Equity Service Learning Experiences (GCELE) dispatch students to distant lands, including Peru, South Korea and Kenya, to perform service learning in rural and often remote communities. Our award-winning approach to teaching

Monitor your application

It is important to periodically log in and see if there are any updates to your application; particularly if you are waiting for an offer of admission.

When you log in, **Your Dashboard** opens and you can see any new messages, documents, or offers.

As you can see in the example applicant's dashboard, there are three new messages.

The screenshot displays the 'Your Dashboard' for an applicant on the website ontariocolleges.ca. The dashboard is divided into several sections:

- Header:** The website name 'ontariocolleges.ca' is on the left, and 'Welcome Pat' with a notification bell and 'Français' is on the right.
- Navigation:** A vertical sidebar on the left contains icons for 'Home', 'Profile', 'Apply', and 'Docs'.
- Account Information:** 'Account Number: 210062128671' is displayed at the top.
- 2022 - 2023 Application:** This section shows 'Application Number: 220209966' and a 'Status: Unpaid' callout. A 'Resume Application' button is present. Below this is a 'Did You Know:' section with text about applying to multiple programs and a red apple image.
- Messages:** This section is titled 'Messages' and shows '3 Unread' messages. It lists three messages, all dated 'Oct. 29, 2021', with the subject 'Be sure to pay the required fees'. A fourth message, dated 'Oct. 22, 2021', is titled 'International Credit Assessment Information'. A 'View All Messages' button is at the bottom. An image of a hand holding several white envelopes is on the right side of the messages section.

How do I know if my information was sent to the colleges?

At some point, you might wonder if your application and personal information was sent to colleges. You can quickly find out by looking at the activity history.

1. On **Your Dashboard**, select **College Sync**.

The Activity History page opens where you can see the colleges that you applied to. In the following example, each card indicates that the information was **Sent**.

2. To see the details for a specific college transmission, select the corresponding **View Details**.

As you can see in the example, the program choices and supporting documents were sent, and the college is awaiting a decision on their offer of admission.

3. To return to the main Activity History page, select **Back**.

Accepting an offer

November 1 is the earliest date that colleges can start sending out offers of admission. Offers will continue to be issued until program seats are filled or waitlists are established. Log in to your account regularly to check your offers of admission.

To accept an offer of admission to college:

1. Log in to your ontariocolleges.ca account.
2. On **Your Dashboard**, in the navigation pane, select **Offers**.

As you can see in the following example, the number of offers is displayed in the banner, and the offers are listed in the Available Offers section of the page.

Note that each offer has an **Expires** date.

College	Program	Campus	Delivery	Entry Semester	Posted	Expires	Start Date
Sheridan	Architectural Technology (PARTY)	HMC (Mississauga)	Delivery Full Time	Semester 1	Nov. 1, 2021	May 1, 2022	Sep. 2022
CENTENNIAL COLLEGE	Architectural Technology (Optional Co-op) (3105)	Morningside	Delivery Full Time	Semester 1	Nov. 1, 2021	May 1, 2022	Sep. 2022
CROWN COLLEGE	Architectural Technology (T109)	Casa Loma Campus	Delivery Full Time	Semester 1	Nov. 1, 2021	May 1, 2022	Sep. 2022

3. Decide which offer of admission you want to accept, then select **Accept**.

Once you have accepted an offer, ontariocolleges.ca will send a confirmation email to the contact email address specified in your account profile.

The other colleges to which you have applied will receive notification of your accepted offer.

Note: You cannot defer an offer of admission. If you want to take the program at a later date, you must create a new application.

What if I change my mind?

If you applied to more than one program, you might receive more than one offer of admission.

You can accept only one offer at a time.

However, if you change your mind or receive another offer that you prefer, you can change your acceptance - as long as the offer has not expired.

When you change your acceptance, the previous acceptance is automatically declined.

Note: You can only confirm an offer once per day. If you have already confirmed an offer and change your mind later that day, you must wait until the next business day to confirm the new offer.

Declining offers

If you are accepting an offer of admission, there is no need to decline any other offers. However, if you decide not to attend any college program that you have applied for, you can decline all offers.

- 1. Log in to your ontariocolleges.ca account.**
- 2. On Your Dashboard, in the navigation pane, select Offers.**
- 3. At the bottom of the page, select Decline All Active Offers.**

IMPORTANT: This will also decline any offer that you have already accepted.

Supporting Documentation

Depending on the admission requirements of the program you are applying to, you might have to provide supporting documents as part of your application.

Here are the most commonly requested types of documents:

- **Test Results (ex/ English Language Proficiency, Health Occupation Aptitude Exam (HOAE))**
- **Canadian Citizenship & Residency Documents**
- **College or Program-Specific Documents**
- **Other Supporting Documents (ex/ Proof of Name or Date of Birth Change)**
