

HODAN NALAYEH SECONDARY SCHOOL 2025-2026 PRESENTATION

GRADE 9 COURSE SELECTION

GRADE 9 COURSES

- X English - Destreamed or Locally Developed
- X French - Academic or Open
- X Geography - Destreamed
- X Math - Destreamed or Locally Developed.
- X Physical Education - Open (Male Identifying, Female Identifying or All-Ed)
- X Science - Destreamed or Locally Developed
- X plus 2 Elective Courses and 2 Alternates

GRADE 9 COURSES

- ✗ There are no grade 9 applied course offerings.
- ✗ Science, English and Math in Grade 10 are offered as an applied course type.
- ✗ Grade 9 Open French should only be selected if you have had less than 600 hours of elementary core French instruction.

WHAT DO DIFFERENT COURSE TYPES MEAN?

Academic

- X Academic courses develop students' knowledge and skills through the study of theory and abstract problems.
- X These courses focus on the essential concepts of a subject and explore related concepts as well.
- X They incorporate practical applications as appropriate.

WHAT DO DIFFERENT COURSE TYPES MEAN?

Destreamed

- X Destreamed courses are comprised of a set of expectations that are appropriate for many students, and are designed to broaden students' knowledge and skills.
- X They are designed to increase flexibility in senior level courses, and ultimately, lead to greater pathway options following the completion of secondary school.

WHAT DO DIFFERENT COURSE TYPES MEAN?

Open

- X Open courses, which are comprised of a set of expectations that are appropriate for all students, are designed to broaden students' knowledge and skills in subjects that reflect their interests and prepare them for active and rewarding participation in society.
- X They are not designed with the specific requirements of university, college, or the workplace in mind.

WHAT DO DIFFERENT COURSE TYPES MEAN?

Locally Developed

- X Locally Developed course placements are determined in consultation with parents, Grade 8 teachers, and Special Education Resource Teachers.

WHAT SHOULD I CHOOSE?

- X Families and students will select courses and may choose to collaborate with elementary school teachers, guidance counsellors, student success/support teachers and administrators.
- X Students often choose a combination of course types to support different learning interests and styles.
- X Remember that initial decisions made in grade 8 are not “final” decisions. There are many pathways to initial post-secondary destinations.

This course enables students to continue to develop and consolidate the foundational knowledge and skills that they need for reading, writing, and oral and visual communication. Throughout the course, students will continue to enhance their media literacy and critical literacy skills, and to develop and apply transferable skills, including digital literacy. Students will also make connections to their lived experiences and to society and increase their understanding of the importance of language and literacy across the curriculum.

Submit your courses between February 13th and February 21st. Course selection sign-off sheets will not be collected. There will be an **online** parent/guardian approval process.

Success

HOW DO I GET PARENT/GUARDIAN APPROVAL
FOR MY COURSE SELECTION?

In My Pathway Planner (myBlueprint), once students submit their courses they are prompted with a **Send Approval Email** option. Once clicked, a parent or guardian's email address can be added.

The screenshot displays the 'Submission Details' page. At the top, it says 'Email your parent/guardian so that they may confirm your selections'. Below this, a progress bar shows 'Step 1 Add Courses' as the current step. A 'Success' message states 'Your course selections have been submitted successfully'. A note says 'Note: Speak to your Counselor for more information.' A blue button labeled 'Back to High School' is visible. A modal window titled 'Parent/Guardian Approval' is open, containing the text 'Please add a parent or guardian email below for us to share your course selection. Your parent/guardian will be asked to approve your course selections.' It features a text input field for 'Parent/Guardian Email' and a blue button labeled 'Send Approval Email'.

After entering an email address and clicking **Send Approval Email**, the parent/guardian receives a course selection approval request email, including the student's course requests, alternate courses, issues with course submission, student comments, and course guidance messages, if any.

In the course selection approval request email, the parent/guardian has the option to **Approve** or **Reject** the student's selections by clicking a button or link in the email.

Approve Course Selections

Don't approve of these Course Selections? **Reject Request**. If you reject this request, please follow up with your school's guidance counsellor about next steps.

Students see a confirmation within their **High School Plan** indicating if their course selections have been approved or not by their parent/guardian.

The screenshot displays the 'High School' interface with a 'Courses' tab selected. The 'Official High School Plan' section shows a status of 'Submitted' on Oct 19, 2020, at 10:41 p.m. EDT. A table lists courses for Grades 9, 10, and 11. A 'Graduation Indicator' shows 30/30 required credits, with 14 planned and 16 earned. A confirmation modal is overlaid on the screen, stating 'Approval was successful' and 'Your course selection approval has been confirmed and sent to the school.'
