

HODAN NALAYEH SECONDARY SCHOOL 2024-2025 PRESENTATION

GRADE 9 COURSE SELECTION

GRADE 9 COURSES

- X English - Destreamed or Locally Developed
- X French - Academic or Open
- X Geography - Destreamed
- X Math - Destreamed or Locally Developed.
- X Physical Education - Open (Male Identifying, Female Identifying or All-Ed)
- X Science - Destreamed or Locally Developed
- X plus 2 Elective Courses and 2 Alternates

GRADE 9 COURSES

- ✗ There are no grade 9 applied course offerings.
- ✗ Science, English and Math in Grade 10 are offered as an applied course type.
- ✗ Grade 9 Open French should only be selected if you have had less than 600 hours of elementary core French instruction.

WHAT DO DIFFERENT COURSE TYPES MEAN?

Academic

- X Academic courses develop students' knowledge and skills through the study of theory and abstract problems.
- X These courses focus on the essential concepts of a subject and explore related concepts as well.
- X They incorporate practical applications as appropriate.

WHAT DO DIFFERENT COURSE TYPES MEAN?

Destreamed

- X Destreamed courses are comprised of a set of expectations that are appropriate for many students, and are designed to broaden students' knowledge and skills.
- X They are designed to increase flexibility in senior level courses, and ultimately, with pathway options following the completion of secondary school.

WHAT DO DIFFERENT COURSE TYPES MEAN?

Open

- X Open courses, which are comprised of a set of expectations that are appropriate for all students, are designed to broaden students' knowledge and skills in subjects that reflect their interests and prepare them for active and rewarding participation in society.
- X They are not designed with the specific requirements of university, college, or the workplace in mind.

WHAT DO DIFFERENT COURSE TYPES MEAN?

Locally Developed

- X Locally Developed course placements are determined in consultation with parents, Grade 8 teachers, and Special Education Resource Teachers.

WHAT SHOULD I CHOOSE?

- X Families and students will select courses and may choose to collaborate with elementary school teachers, guidance counsellors, student success/support teachers and administrators.
- X Students often choose a combination of course types to support different learning interests and styles.
- X Remember that initial decisions made in grade 8 are not “final” decisions. There are many pathways to initial post-secondary destinations.

 Success

HOW DO I GET PARENT/GUARDIAN APPROVAL
FOR MY COURSE SELECTION?

In My Pathway Planner (myBlueprint), once students submit their courses they are prompted with a **Send Approval Email** option. Once clicked, a parent or guardian's email address can be added.

The screenshot displays the 'Submission Details' page. At the top, it says 'Submission Details'. Below that, there is a section with an information icon and the text 'Email your parent/guardian so that they may confirm your selections'. A progress indicator shows 'Step 1 Add Courses' as completed. A 'Success' message states 'Your course selections have been submitted successfully.' A note says 'Note: Speak to your Counselor for more information.' A 'Back to High School' button is visible. A 'Send Approval Email' button is partially visible on the right. A modal window titled 'Parent/Guardian Approval' is open in the foreground. It contains the text: 'Please add a parent or guardian email below for us to share your course selection. Your parent/guardian will be asked to approve your course selections.' Below this is a text input field labeled 'Parent/Guardian Email' and a 'Send Approval Email' button.

After entering an email address and clicking **Send Approval Email**, the parent/guardian receives a course selection approval request email, including the student's course requests, alternate courses, issues with course submission, student comments, and course guidance messages, if any.

In the course selection approval request email, the parent/guardian has the option to **Approve** or **Reject** the student's selections by clicking a button or link in the email.

Approve Course Selections

Don't approve of these Course Selections? **Reject Request**. If you reject this request, please follow up with your school's guidance counsellor about next steps.

Students see a confirmation within their **High School Plan** indicating if their course selections have been approved or not by their parent/guardian.

The screenshot displays a 'High School' dashboard with a 'Courses' tab. The main heading is 'Official High School Plan'. A status message indicates 'Your courses are Submitted Oct. 19, 2020, 10:41 p.m. EDT' with a green checkmark and 'Approved' status. A 'Graduation Indicator' shows '30/30 REQUIRED CREDITS' with a green checkmark. A table lists courses for Grade 9, 10, and 11. A 'Parent/Guardian Approval' modal is open, showing a green checkmark and the text 'Approval was successful' and 'Your course selection approval has been confirmed and sent to the school.'
