Budget Consultation Process for Families and Community Members

Between April 7 and April 29, York Region District School is inviting families and community members to participate in its annual budget consultation process. The Board values public input and encourages public participation in virtual [consultation sessions](#) and an online survey. These consultation sessions provide the Board with valuable information about how the community would like to see the school board budget allocated to better support student achievement and well-being. The results will be used to inform the 2021-22 school year budget allocation.

The dates and times of the virtual consultations are:

- **Monday, April 26, 7:00 p.m. - 9:00 p.m.**
 - Please register for this Public Budget Consultation Session at:
<https://attendee.gotowebinar.com/register/3227105524126939660> After registering, you will receive a confirmation email containing information about joining the webinar.
 - Public, listen only, telephone access to the webinar is via **647-497-9389** and Access Code **149-846-166**.

YRDSB has created a survey to gather community feedback into the process. The survey will be available for completion on the Board [website](#) April 7 - April 29, 2021.
