Financial Support for Families

The government is providing financial support to help parents and guardians with additional costs during the 2020-2021 school year during the second wave of COVID-19.

Eligible parents or guardians will receive a one-time payment of:

\$200 for each child up to age 12
\$250 for each child or youth up to age 21 years with special needs

This is a new program, and all parents or guardians who are residents of Ontario with eligible children will need to submit a new application for each child.

As of today, eligible parents or guardians can go to Ontario.ca/SupportforLearners for more information and to apply for the one-time financial support. The deadline to apply is January 15, 2021.
