From the Office

Toonies for Tummies
The **Toonies for Tummies campaign** has begun in Longo's stores. This Saturday and Sunday are matching days - for every dollar contributed, Longo's will match the donation dollar for dollar. In York Region we raised double the amount last year compared to the previous year and all the funding stays in our community. Our HLPS Breakfast Program has benefited from this funding! 2021-2022 Kindergarten Registration
Registration for Kindergarten begins on **January 15, 2021**. We look forward to welcoming our new students and families to our school.

Children who turn four or five years old during 2021, live within the school boundary and whose parents/guardians are public school tax supporters will be eligible to register for Kindergarten.

For registration information, please see the board website:
