Highlights From the Week

Virtual Hurricane of the Month Assembly

On Thursday, we held our first ever Virtual Hurricane of the Month assembly. It was a new way for us to “gather” together, and it turned out great! We’re very proud of our students, and it was nice to celebrate some great things happening in our learning environment.

Several classes provided an opportunity for students to give input into who should be recognized from their class. It was great to hear so many positive traits and actions being displayed here at HLPs. Here are just some of the words teachers and students used to describe our Hurricane of the Month recipients:

Congratulations to our October Hurricane of the Month students!

Thank you to Mrs. Telford for organizing our monthly celebration.

HLPS Spirit Day!

We had a great day at HLPS - lots of school spirit was on display from Kindergarten to Grade 8 (and every grade in between!). Each class selected a theme, and decorated their classroom door to represent their theme. Students then had the option to dress up today to match the theme, or, they could choose to wear a Hallowe'en costume. Check out a few of our amazing, creative class decorations!
