HURON HEIGHTS SECONDARY SCHOOL MASTER LIST OF COURSES 2023-2024

PROGRAMS AVAILABLE AT HURON

EXPLORING OPPORTUNITIES PROGRAM (EOP)

(can be linked to SHSM)

The *Exploring Opportunities Program* is designed for students with an interest and aptitude in the manufacturing, construction or transportation. Students may accumulate up to 5 credits while gaining valuable work experience and developing the essential skills and work habits needed for a career in manufacturing, construction and transportation.

This program benefits you if:

- you are interested in participating in an *Ontario Youth Apprenticeship Program (OYAP)*
- you are interested in the option of *Accelerated Level 1 College Apprenticeship Training* during the school year
- you are considering participating in the Specialist High Skills Major Program (SHSM) in Manufacturing, Construction or Transportation.

Some certifications that may be included by the program: *CPR, First Aid, WHMIS, Fall Arrest, Propane Safety* and *CAD*.

Sample courses: 4–5 credit package

- Gr. 11or 12 College Math, 1 credit (other courses available based on student need)
- Manufacturing, construction or transportation related Technology course 1 credit
- Co-op course, 2-3 credits (depending on hours accumulated)

COURSE NOTE: EOP is a package designed for students over 16 years of age with a minimum of 16 credits registered in a secondary school. Demonstrated aptitude and interest in manufacturing, construction or transportation sector is a requirement. For more information, contact the Guidance Department at Huron Heights.

DAY E-LEARNING COURSES

E-Learning courses are available to York Region District High School students who require courses that are not currently available to them through day school. For further information, about registering into a Day School e-learning course and/or course availability, see your Guidance Counselor or the YRDSB [Day School Online Learning](#) website.

SPECIALIST HIGH SKILLS MAJOR

OPPORTUNITIES in ALL DESTINATIONS+ HIGH SKILLS+ ENGAGING LEARNING ENVIRONMENT = SHSM!

The Specialist High Skills Major (SHSM) is a ministry approved specialized program that allows a student in ANY PATHWAY (College, Apprenticeship, Workplace, University) to hone in on skills in a specific sector while earning a high school diploma (OSSD). By using only a few of your electives, you can earn a **SPECIALIZED DIPLOMA** including industry standard training as you discover opportunities that will help you develop your personal learning goals. Everything will be documented on your transcript as proof that you have completed the requirements needed to earn a SHSM diploma.

How to register:

Apply to the program: <https://bit.ly/YRDSBSHSMapp> (application also available in MyPathway Planner – Dashboard -Resources or on the [Huron Website](#))

1. To select the appropriate courses: Begin by selecting SHSM on the right hand side of your screen in the IPP course planner
2. Select a sector (see options below) and pathway (workplace, college, apprenticeship, university). It will show you the requirements (may not be the most updated. [Check pathway charts](#)). Pick appropriate courses according to the planner.
3. Check the requirements: All pathway charts and requirements are listed under HOME >> Resources in MyPathwayPlanner.
4. Contact Ms. Phylactou if you have additional questions: 905-895-2384 x192 or make an appointment via TeachAssist.

MAJORS AVAILABLE AT HURON HEIGHTS

Arts and Culture — (Artisan and Craftsperson, Hairstylist, Graphic Designer, Broadcast/Audio, Artists, Musicians and Music Industry, Public Relations or Advertising, Museums and Art Galleries). We encourage students to take at least one course in Indigenous Studies or Technology related to their field of interest as one of their four required major courses.

Construction — ([Electrician](#), [Carpenter](#), Green Technologies, [Floor Covering Installer](#), Architecture, [Plumbing](#), [Drywall](#), Civil Engineering, Stone Masonry, Interior Design, Heating, [Refrigeration and AC](#))

Health and Wellness — (PSW, Nursing, Dentistry, Social Work/ Counselling, Fitness Program Leaders, [Child Development Practitioner](#), Educational Assistant, Support Services, Health information management, Massage Therapy, Paramedical services)

Hospitality and Tourism — (Pastry Chef, [Cook](#), Chef, [Baker](#), Food and Beverage Server, Hotel Management, Ecotourism, Dietician, Food Bacteriologist, Conference and Event Planning. Travel Counsellors, Accomodations Manager, Nutritional Sciences)

Manufacturing — (Welding, Precision Machining, Furniture Making, Mechanical Engineering, Machine Operator, Construction Millwright, Industrial Electrician, Tool and Die, Chemical Engineer, Purchasing and Inventory Control, Industrial and Manufacturing Engineer)

Transportation — (Small Engine repair, [Motorcycle Service Technician](#), Motor Vehicle body repair, [Automotive Service Technician](#), [Truck and Coach Technician](#) Heavy Equipment Operator, Green Technologies, Aerospace Engineer, Urban planning)

Non-for Profit *PENDING*— (Conference and event planners, Human resources professionals, Author and writers, Managers in social, community and correctional services, Advertising, marketing and public relations, Social & community service worker)

Underlined occupations – These have [ACCELERATED OYAP](#) options where you can potentially spend time in college/ union training facility and earn your Level ONE Apprenticeship in Semester 2 of your grade 12 year.

DUAL CREDIT PROGRAM

A Dual Credit course allows senior students to earn high school credits and college credits at the same time in the same course. You can experience college life while still in high school, at no cost to you. This is an opportunity to try something new while exploring different program pathways. For options available, see Dual Credit Tab under High School/Courses in myPathwayPlanner on the [YRDSB Dual Credit Site](#). Select dual credit course code YYY4X, and then see a Guidance Counsellor for additional application process. Dual credit course selection will be available in May/June.

Many Dual Credits will count for SHSM Major Credits.

SOCIAL JUSTICE CERTIFICATE

Mission - Our mission is to promote the knowledge, skills, values and practices to meet the social, economic and environmental challenges of sustaining social justice.

Certificate Requirements: Students may earn the social justice certificate by fulfilling three requirements:

- a) successful completion of seven courses with an average of 70% from designated social justice course groupings: economic, social, political and environmental;
- b) successful completion of 80 hours of community service;
- c) participation in extra-curricular clubs/groups which promote a positive school culture through informed decision making and active civic participation (PEACE club, Peer Ambassadors, Peer Mentors, Student Council, Athletic Council, Drama Council, Music Council).

Eligible Courses - <https://bit.ly/HuronSocialJusticeCourses> see on-line calendar for specific course descriptions. Social Justice courses also noted in master calendar with the symbol .

Pathways - This certificate would be beneficial to students who might be pursuing further studies in the areas of: social work, political science, journalism, international studies, international development, global studies, health care studies.

For additional information and certificate application form contact the Guidance Department.

You **APPLY FOR THE SOCIAL JUSTICE CERTIFICATE** <https://bit.ly/HuronSocialJustice> by May 20 (same due date for Community Service) of your graduating year. Application Opens March 2024 for June 2024 Graduation.
