or
Computer Studies
or
Cooperative
Education***

**ONE FROM EACH
CATEGORY**

CHOOSING PATHWAYS AND COURSES

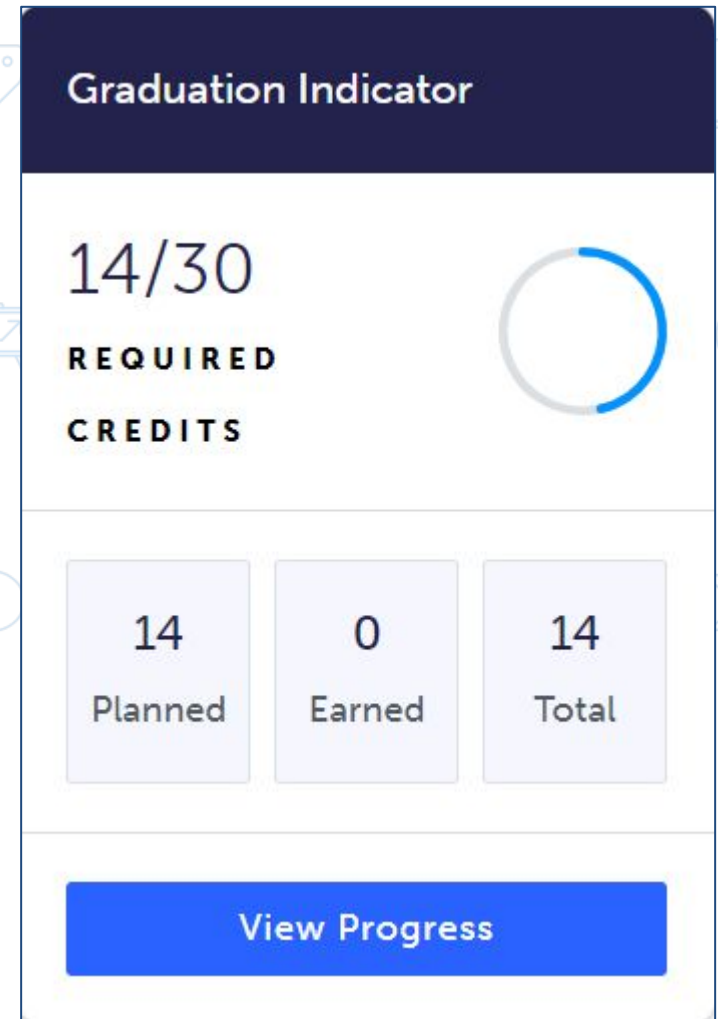

- Students should collaborate with parents, teachers, guidance counsellors, student success/support teachers and administrators
- Students should do an honest self-assessment, matching their ability with their interests and aptitudes
- Choose a combination of course types to support different learning interests and styles
- Remember there are many pathways to initial post-secondary destinations

Course Planning Overview

	Grade 9	Grade 10	Grade 11	Grade 12
Compulsory Courses	<input type="checkbox"/> English <input type="checkbox"/> Math <input type="checkbox"/> Science <input type="checkbox"/> Geography <input type="checkbox"/> Phys Ed <input type="checkbox"/> French	<input type="checkbox"/> English <input type="checkbox"/> Math <input type="checkbox"/> Science <input type="checkbox"/> History <input type="checkbox"/> Civ/Car	<input type="checkbox"/> English <input type="checkbox"/> Math	<input type="checkbox"/> English
Electives	2 additional electives (Art and Tech are recommended)	3 additional electives	6 additional electives	6-7 additional electives

Be Strategic

***Please take a look at your grad tracker in myBlueprint to make sure you aren't missing any compulsory credits**

Science Pathway Chart

*This chart maps out available courses, shows the links between courses, and possible prerequisites for them. It does not attempt to depict all possible movements from course to course.

Grade 12U
Biology and Chemistry are usually required for students applying to degree programs in the following fields:

- Health Science
- Life Science
- Kinesiology
- Life Science
- Nursing

Grade 12U
Chemistry and Physics are usually required for students applying to degree programs in the following fields

- Engineering (all types)
- Bachelor of Science

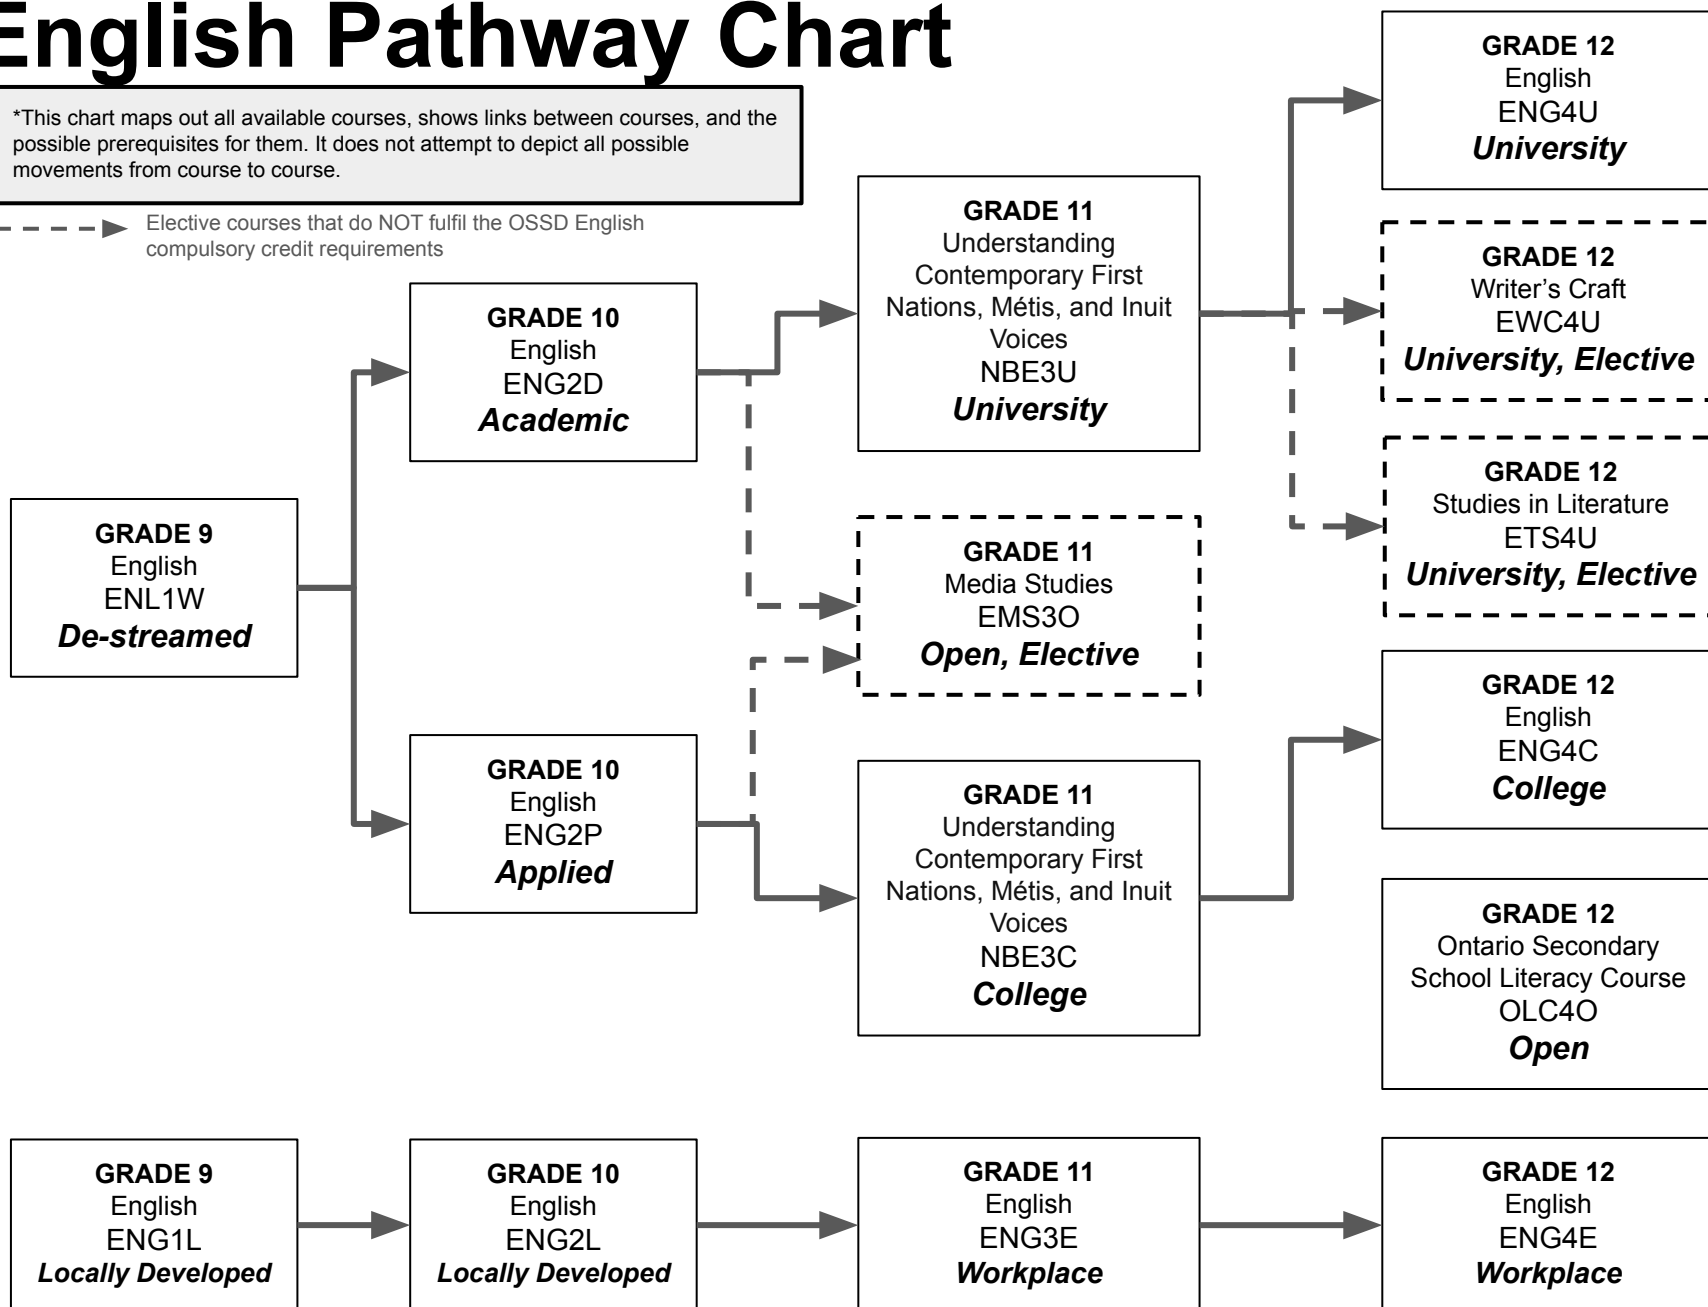

SPH4C or SPH3U are recommended for students pursuing a Skilled Trade requiring math (ex. electrician).

For the most updated post-secondary prerequisite info, visit
www.ontariocolleges.ca and/or www.ouinfo.ca

English Pathway Chart

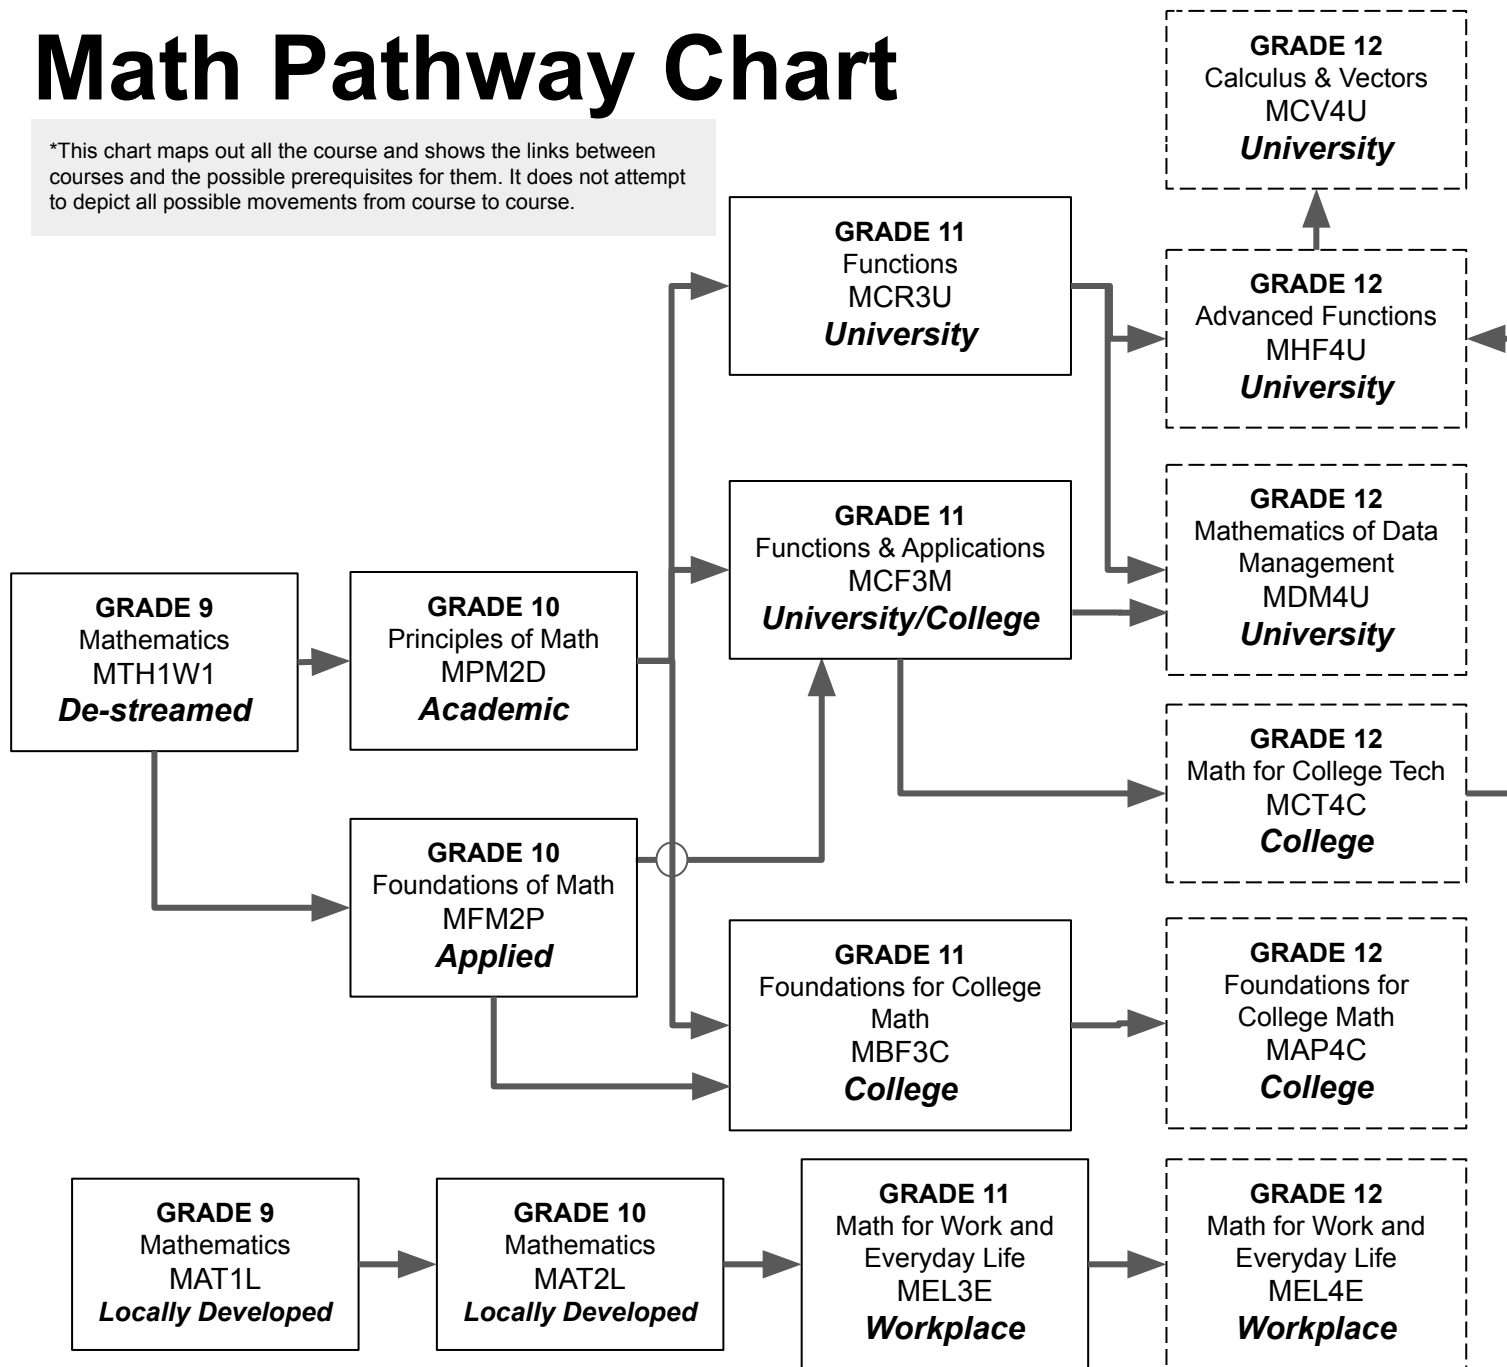

*This chart maps out all available courses, shows links between courses, and the possible prerequisites for them. It does not attempt to depict all possible movements from course to course.

-----> Elective courses that do NOT fulfil the OSSD English compulsory credit requirements

Math Pathway Chart

*This chart maps out all the course and shows the links between courses and the possible prerequisites for them. It does not attempt to depict all possible movements from course to course.

Gr. 12 university math course(s) are required for students applying to degree programs in the following fields:

- **Business** (1 or 2 4U maths)
- **Computer Science** (MHF4U + MCV4U)
- **Engineering** (MHF4U + MCV4U)
- **Life Science** (MHF4U + MCV4U)
- **Kinesiology** (1 4U math)
- **Nursing** (1 4U math)

For the most updated prerequisite info, visit www.ouinfo.ca

MAP4C or MCT4C1 is usually a required course for students pursuing a Technology or Technician diploma program.

Examples include:

- Civil Engineer Technician
- Electrical Engineering Technician
- Aviation Technology

For the most updated prerequisite info, visit www.ontariocolleges.ca

MAP4C or MCT4C are recommended for students pursuing a Skilled Trade requiring math (ex. electrician).

Math Pathways

- If you are interested in college programs, you should be enrolled in MBF3C or MCF3M
- If you are interested in pursuing math related university programs, and you found OR are finding MPM2D challenging, it is **HIGHLY** recommended to take both MCF3M and MCR3U
- MCF3M will help to strengthen skills from MPM2D **WHILE** introducing concepts you will learn in more detail in MCR3U

Do Your Research

- Backwards plan- look at all pathways and possibilities
- Use websites such as ontariocolleges.ca and Ontario Universities Info
- Talk to teachers & Guidance counselors. Be informed!

IPP on myBlueprint

The image shows a screenshot of the myBlueprint website's IPP (Individual Pathways Plan) dashboard. On the left is a dark blue sidebar with navigation links: Home, Who Am I, High School, Post-Secondary, Work, Money, Guides, Favourites, and Notifications (0). The main content area has a 'Home' header and a 'Dashboard' tab selected. A progress bar shows 'Complete your IPP Tasks' at 22%. Below this, a 'View All Tasks' button is highlighted with a yellow arrow pointing to a task card. The task card is titled 'Ensure Your Plan Meets All Requirements' under the 'High School • Plan' category and is worth 100 points. Below the task card is a grid of six IPP tasks, each worth 100 points except for the last one which is 50 points. The tasks are: 'Ensure Your Plan Meets All Requirements' (High School • Plan), 'Add 2 Goals' (Home • Goals), 'Create/Review a Budget (minimum 10 income/expenses)' (Money • Budgets), 'Add 1 Box and Write a Reflection' (Home • Portfolios), 'Favourite 1 Opportunity' (Post-Secondary), and 'Complete 1 Compatibility Survey' (Who Am I). At the bottom left, there is a Venn diagram with four overlapping circles. The top circle is pink and labeled 'Who am I?'. The bottom circle is blue and labeled 'Who do I want to become?'. The left circle is green and labeled 'What is my plan for achieving my goals?'. The right circle is yellow and labeled 'What are my opportunities?'. In the center of the Venn diagram is a black circle labeled 'EDUCATION AND CAREER/ LIFE PLANNING'.

Be aware that we have a few courses that are offered **EVERY OTHER YEAR**

Please read course descriptions to see which courses are offered every other year.

If you need one of these courses and it is not being offered, have a backup plan!

Not sure what to do? Reach out to your guidance counsellor.

34 CREDIT THRESHOLD

Pathways Planning for Secondary Students
Helping Students to Graduate Within Four Years

What you
**NEED TO
KNOW!**

credit threshold →

What is the
34 CREDIT THRESHOLD
and how does it apply to me?

➔ **Did you know that...?**

- You need 30 credits to meet Ontario Secondary School Diploma graduation requirements. Most students will complete these credits within four years. If needed, you may earn up to 34 credits within five years.
- While enrolled in your first four consecutive years of secondary school, you may go beyond 34 credits.
- After secondary school, going beyond the 34 credit threshold is possible with:
 - E-learning • Night School • Summer School
 - Independent Learning Centres • Adult Day School

➔ **34 Credit Threshold does not apply...**

- if you have an Individual Education Plan (IEP)
- if you are not enrolled in secondary school
- To English as a Second Language (ESL) core language courses and/or English Literacy Development (ELD) core language courses

For more information about the
**full Graduation Requirements
and 34 Credit Threshold,**
visit www.yrdsb.ca/students
or contact your school's guidance department.

Hear from students!

- CONSTRUCTION
- HEALTH & WELLNESS

- ARTS & CULTURE
- INFORMATION & COMMUNICATIONS TECHNOLOGY

In SHSM students in grade 11 and 12, focus on a career path that matches their skills and interests. Students receive the SHSM seal on their diploma when they:

- earn valuable industry certifications
- Participate in various experiential learning activities and learn about a variety of post-secondary opportunities
- Work with the community around Innovation, Creativity and Entrepreneurship, Coding or Mathematics.

Dual Credit

- What Is It? - How Does it Work?

- take a first year college course one day/week
- 2 for 1 → Earn a college credit that can count toward a diploma or certificate + a bonus high school credit
- Spare on your HHSS timetable
10
- All free! (tuition, books, transportation, materials, etc.)

Dual Credit is a good fit for Gr.11 or 12 students who...

- Want to explore a career option
- Plan to go to College
- Are looking for something different from what's offered in high school
- Are behind in credits or at risk of not graduating
- Are in a SHSM program
- Like hands-on courses

TYPICALLY NOT FOR STUDENTS WHO ARE UNIVERSITY BOUND

COOPERATIVE EDUCATION

- This program is for students going to **university, college, apprenticeship or work.**
- Allows students to earn grade 11 or 12 credits in a **workplace setting** while exploring a career of their choice.
- Two co-op credits can be counted towards the compulsory groups.
- 2 credit coop code select coop2
- 4 credit coop select coop2am and coop2pm

**The OYAP program –
students earn high
school credits and hours
towards their
apprenticeship in a
trade.**

***For more information, contact
a Co-Op teacher or speak to a
Guidance Counsellor.***

OSSD: OYAP FAST (Focused Apprenticeship Skills Training)

Purpose: is to allow students in Grades 11 and 12 to focus on the apprenticeship pathway while working toward their Ontario Secondary School Diploma (OSSD).

OYAP-FAST OSSD Details:

- Students must earn 8-11 cooperative education credits with their community component placement in the skilled trades as an OYAP participant.
- Students must register as an apprentice through OYAP by the time they complete the 8th cooperative education credit. This means they must have a Registered Training Agreement (RTA) fully registered
- Student must have a signed parent consent form to participate in OYAP-FAST.

*Students can indicate interest for OYAP-FAST (Focused Apprenticeship Skills Training) with the course selection period in January 2025.

EOP - Exploring Opportunities Program

EOP is a specialized program for students in grade 11 and 12 with an interest and aptitude for:

- **Manufacturing** Huron Heights SS
- **Construction** Richmond Green SS, Markham DHS, Huron Heights SS
- **Transportation** Alexander Mackenzie HS, Sutton DHS
- **Green Industries** Sutton DHS
- **Business & Communication Technology** Markville SS

For more information - www.yrdsb.ca/eop

College Admission Guidelines

- High school diploma required
- English- ENG4C1 or ENG4U1 - for all Diploma Programs
- Other requirements may require MAP4C1, SBI3C1, SCH4C1 or SPH4C1
- Additional requirements may include an interview, portfolio, audition, English Entrance Test, Math test, portfolio, etc.
- Degree Programs will require 6 U or M courses
- Consult specific college programs for entrance requirements
- Check out: www.ontariocolleges.ca

University Admission Guidelines

- High school diploma required
- English – ENG4U1
- Plus 5 other gr 12 U/M level classes (**(NOT Gr 11 Courses)Total of 6 Gr 12 U/M Classes**)
- Check out: <https://www.ontariouniversitiesinfo.ca/> for information about the different universities and their programs & prerequisites
- Universities may consider Gr. 11 and 12 (“U” and “M”) courses for admission &/or prerequisites
- Schools are looking more at “**consistency**” between grade levels

NEW- OUAC application will ask students to identify any courses taken outside of regular day school and institution attended

Select 2 Electives and 2 Alternates

The diagram shows a form with two main sections. The top section is titled 'Course' and contains two rows, each with a plus icon and the word 'Course'. A yellow arrow points from this section to the list of elective courses. The bottom section is titled 'Repertoire' and contains a dark grey bar labeled 'Alternates', followed by two rows, each with a plus icon and the word 'Alternate'. A yellow arrow points from this section to the instructions for selecting alternatives.

Choose Two Elective Courses:

Select Grade 9 - Multiple Options will appear:

- Arts Huron
- Business Studies
- Computer Studies
- Dance
- Dramatic Arts
- Music
- Social Sciences - Food and Nutrition
- Special Education - GLE101
- **Technological Education - 4 options**
- Visual Arts

Once all eight courses are completed, a ninth box will appear - ONLY fill in if you are taking AMR102 (band) or AMJ101 (choir)

Choose 2 Alternatives - select carefully -

- if choose Tech courses in electives also choose a third tech half credit in alternates

STEP 5: Click **Submit Course Selections** to submit courses to your school

Review Courses

 Review your course selections before submitting. Once submitted, you can no longer make changes in myBlueprint.

What if you want to take summer school?

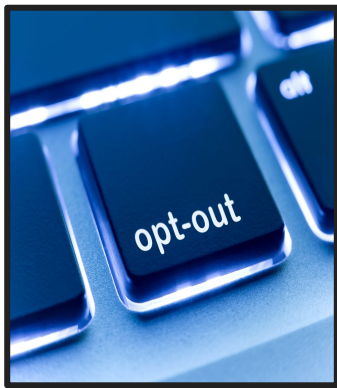

- If you **PLAN** on taking a compulsory course at summer school, you can delete this course in myBlueprint (opt out) and choose the course that you want to take next year instead.
- When you submit your courses, there is a comment box. Please indicate that you are planning to take summer school in this box or we will not be able to override your missing prerequisite.
- Register for summer school in the spring (April/May) on myBlueprint when Summer School and online Learning registrations are opened in myBlueprint
- If you do not end up taking summer school (and you have taken the course off of your course requests), it is **your responsibility** to ensure it is back in your timetable for the next school year.

High Performance Athlete (HPA)

What is the High Performance Athlete (HPA) Program?

The High Performance Athlete (HPA) program is an option for students competing at the provincial, national and/or international level in eligible sports. It is designed to provide high performing student-athletes with timetable support to enable them to attend their regular training and compete during times that would typically conflict with otherwise-regular academic programming.

Student-athletes who compete at the provincial, national, or international level in a qualifying sport may be eligible to enrol in up to two Day School Online Courses during the school year.

HOW TO OPT OUT OF ONLINE COURSES

If you are not planning any online learning credits in your grade 12 year, please opt out in your course planner

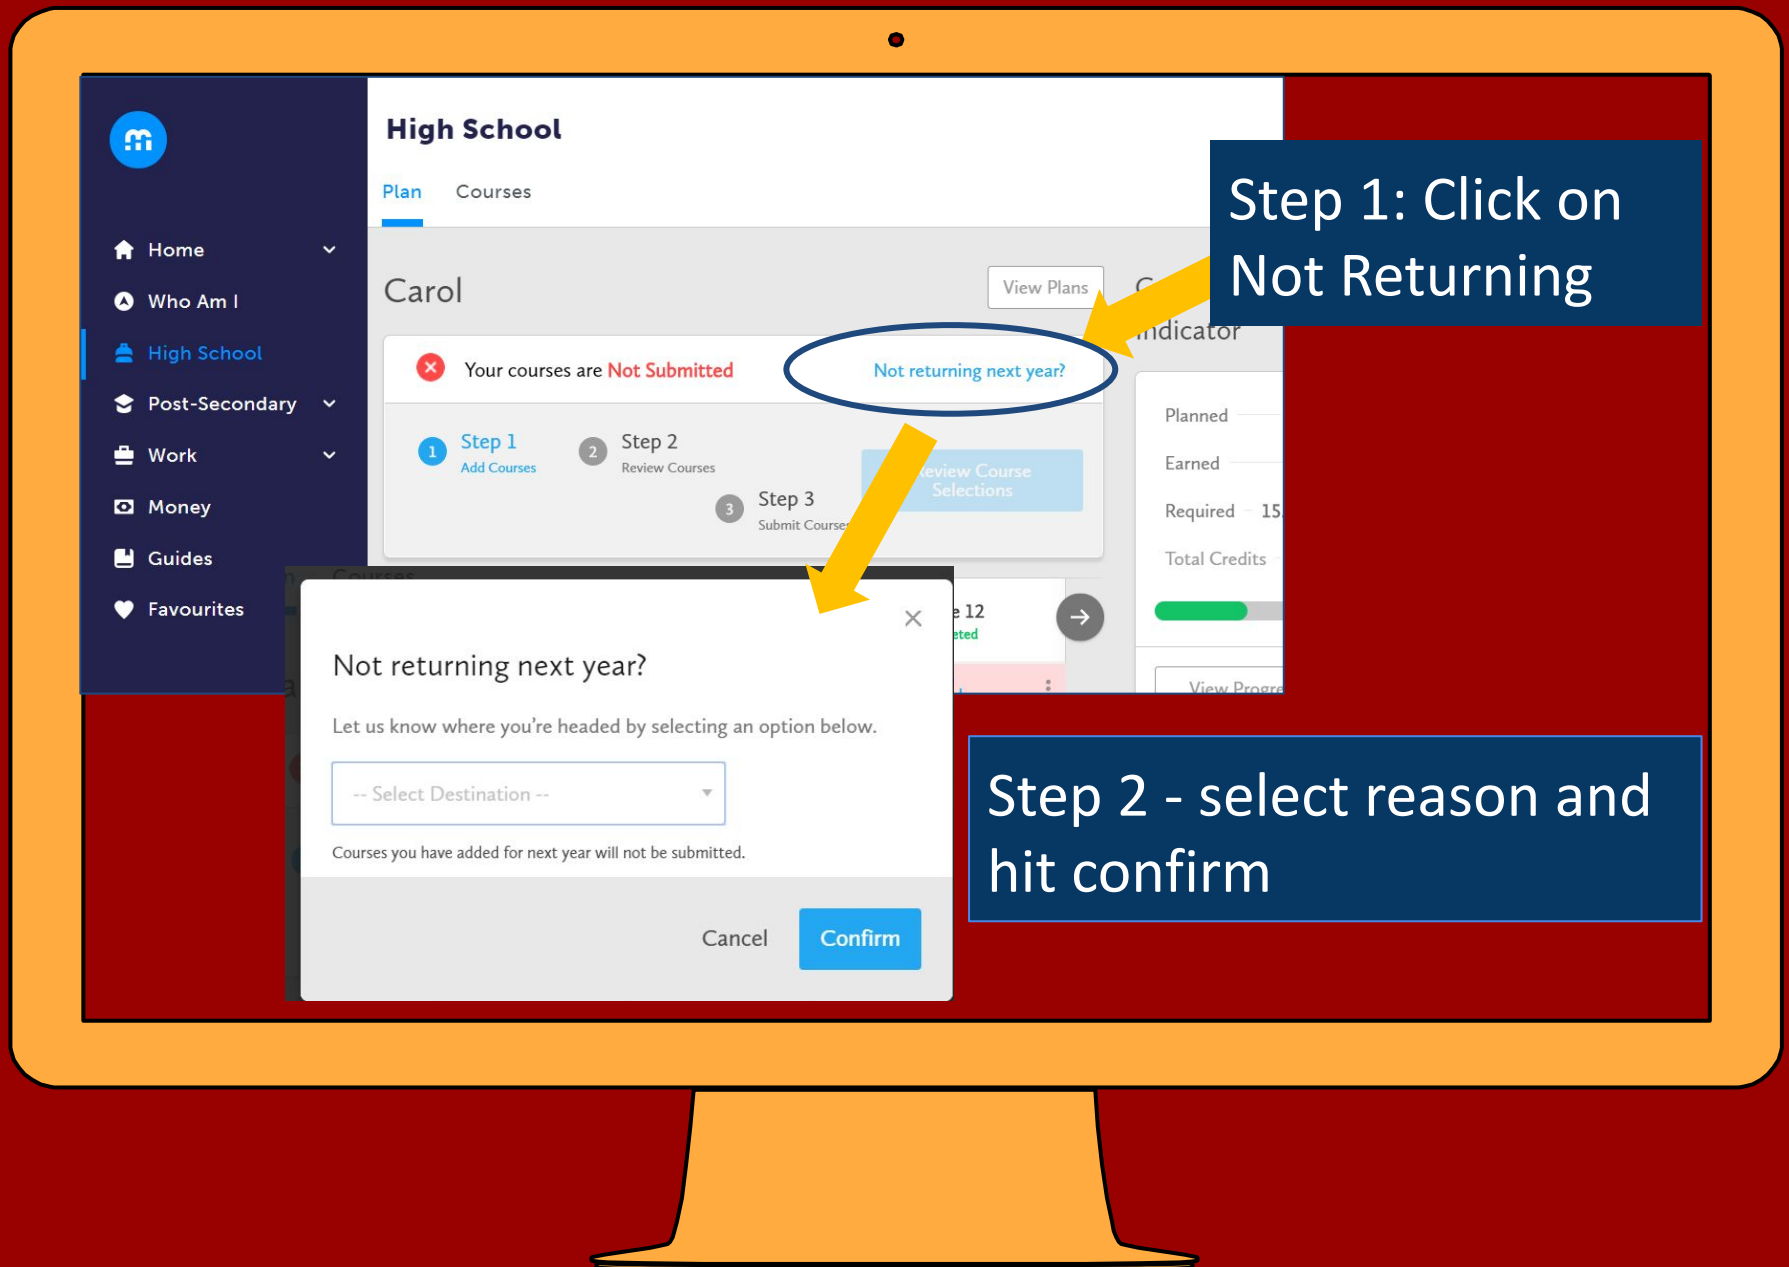

Please note that there is **NO direct teacher instruction for online courses. This is an asynchronous model.**

For additional information click [here](#).

Grade 11 Plan Ahead	Grade 12 Plan Ahead

Your course selection will be parent approved electronically. You must input your parents email address and have them approve you course selection

The background of the slide is a light blue color. It is decorated with numerous question marks of various sizes and colors (dark blue, teal, orange, and grey) scattered across the top half. In the bottom half, there are several stylized hands of different colors (orange, brown, teal, dark grey, and light grey) reaching upwards. A semi-transparent white rectangular box is positioned in the center-left, containing the text.
