The screenshot shows the 'High School' section of a user interface. At the top, there's a header with 'High School' and tabs for 'Plan' and 'Courses'. Below this, the user's name 'Carol' is displayed. A message states 'Your courses are Not Submitted' with a red 'x' icon. A progress bar shows three steps: 'Step 1 Add Courses' (active), 'Step 2 Review Courses', and 'Step 3 Submit Courses'. A blue button labeled 'Review Course Selections' is visible. Below the progress bar, there are four columns for 'Grade 9 Completed', 'Grade 10 Completed', 'Grade 11 Completed', and 'Grade 12 Completed'. A yellow arrow points from a text box to a blue button labeled 'Not returning next year?' which is circled in blue.

Step 1: Click on Not Returning

The modal dialog box is titled 'Not returning next year?'. It contains the text 'Let us know where you're headed by selecting an option below.' and a dropdown menu with the placeholder text '-- Select Destination --'. Below the dropdown, it says 'Courses you have added for next year will not be submitted.' At the bottom, there are two buttons: 'Cancel' and 'Confirm'.

Step 2 - select reason and hit confirm

Are you returning or thinking about returning?

Select your courses by clicking on the arrow to open a 12+ column

The screenshot displays the SHSM Planner interface. On the left is a dark blue sidebar with navigation links: Home, Who Am I, High School, Post-Secondary, Work, Money, Guides, and Favourites. The main content area features a progress bar at the top with three steps: Step 1 (Add Courses), Step 2 (Review Courses), and Step 3 (Submit Courses). A red error message at the top states "Your courses are Not Submitted". Below the progress bar is a grid of course options for Grades 9 through 12. An orange circle highlights a right-pointing arrow icon in the Grade 12 column header, indicating how to expand the column. To the right of the grid, a progress bar shows 8 planned credits, 0 earned, and 8/30 required. Below this are sections for "SHSM Planner" (offering 3 Specialist High Skills Majors) and "Pathway Eligibility" (showing 2 for Apprenticeship, 0 for College, University, and Workplace).
