College/University/ Apprenticeship?

What is your pathway?

- Be sure you check what level of course you need for your future plan.
- Check with guidance... applied English vs Academic English - BIG difference for your future.

Math Pathway Chart

*This chart maps out all the course and shows the links between courses and the possible prerequisites for them. It does not attempt to depict all possible movements from course to course.

Gr. 12 university math course(s) are required for students applying to degree programs in the following fields:

- **Business** (1 or 2 4U maths)
- **Computer Science** (MHF4U + MCV4U)
- **Engineering** (MHF4U + MCV4U)
- **Life Science** (MHF4U + MCV4U)
- **Kinesiology** (1 4U math)
- **Nursing** (1 4U math)

For the most updated prerequisite info, visit www.ouinfo.ca

MAP4C or MCT4C1 is usually a required course for students pursuing a Technology or Technician diploma program. Examples include:

- Civil Engineer Technician
- Electrical Engineering Technician
- Aviation Technology

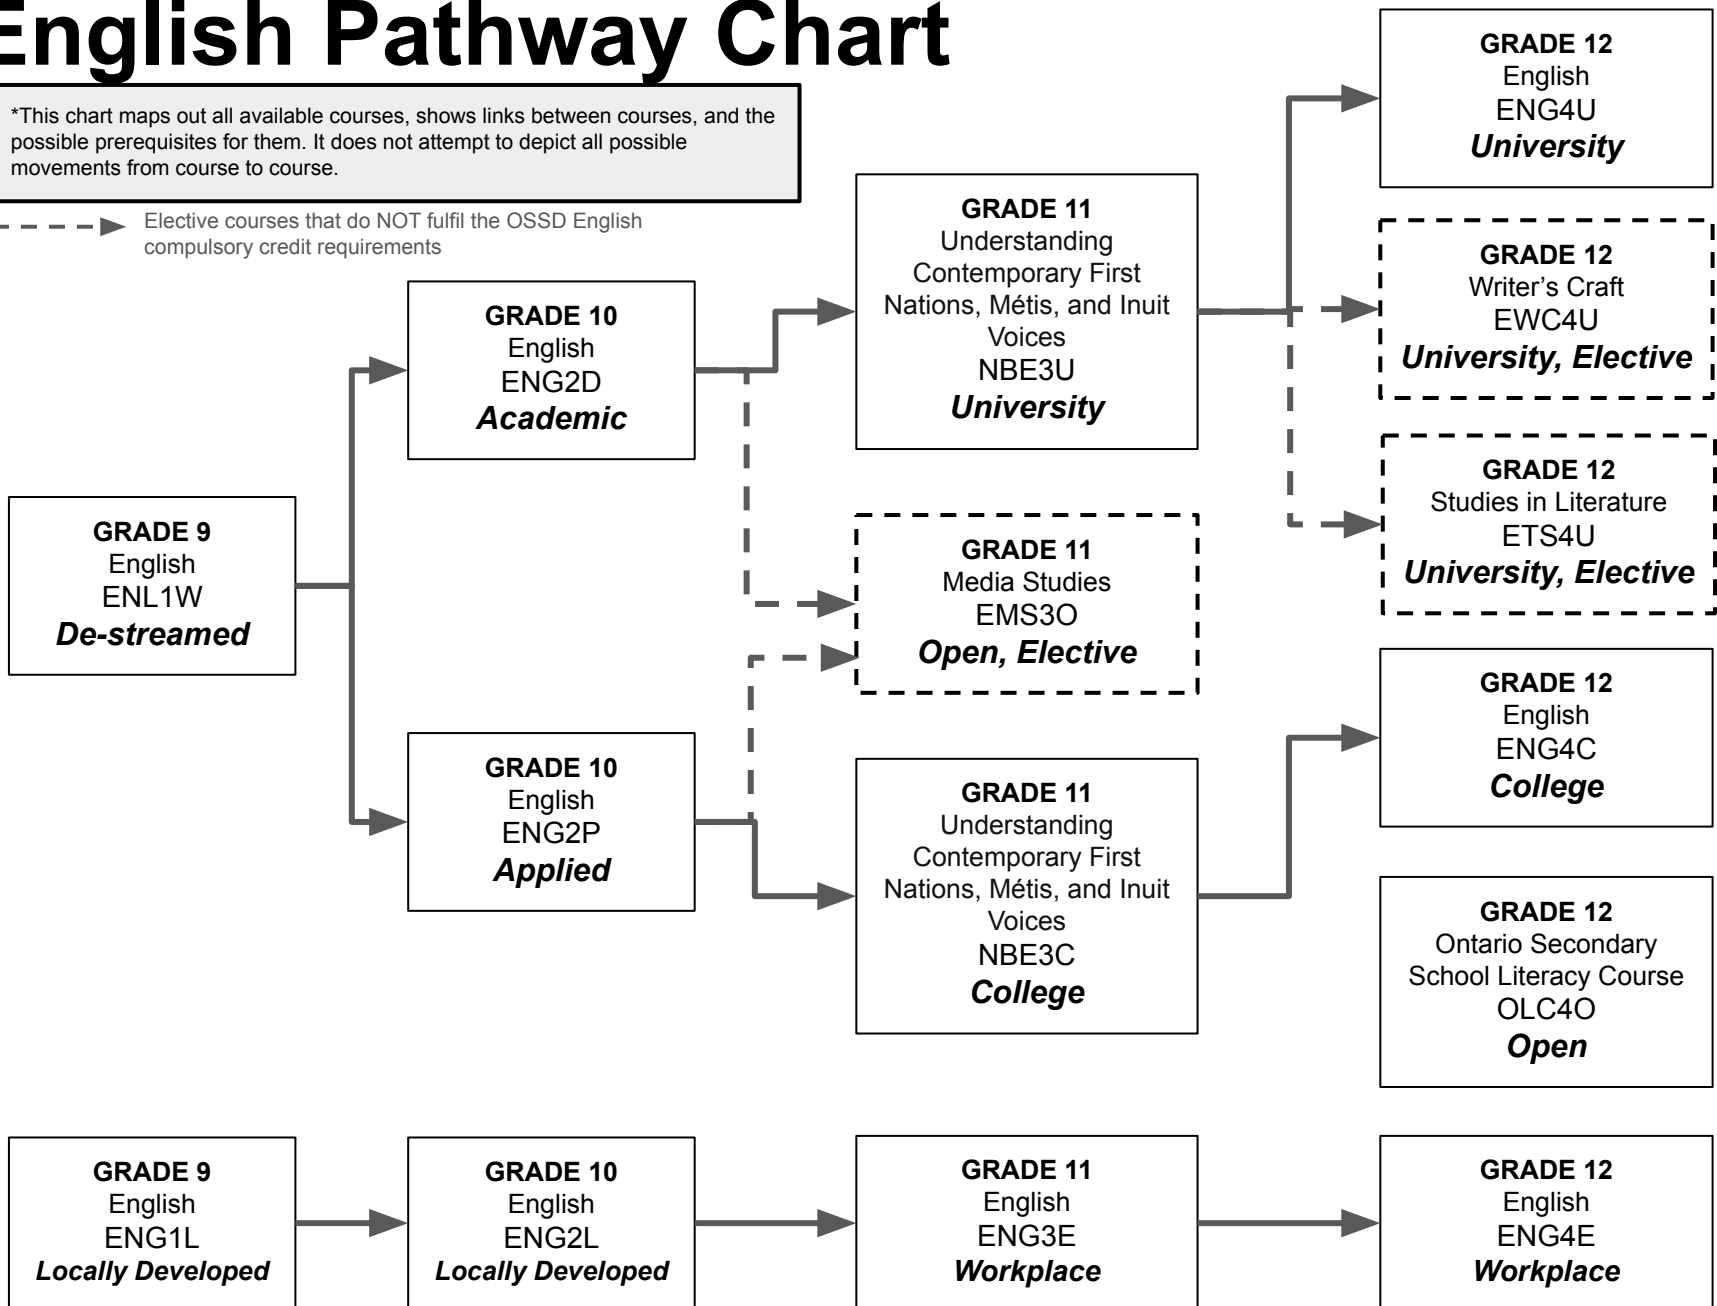

For the most updated prerequisite info, visit www.ontariocolleges.ca

MAP4C or MCT4C are recommended for students pursuing a Skilled Trade requiring math (ex. electrician).

English Pathway Chart

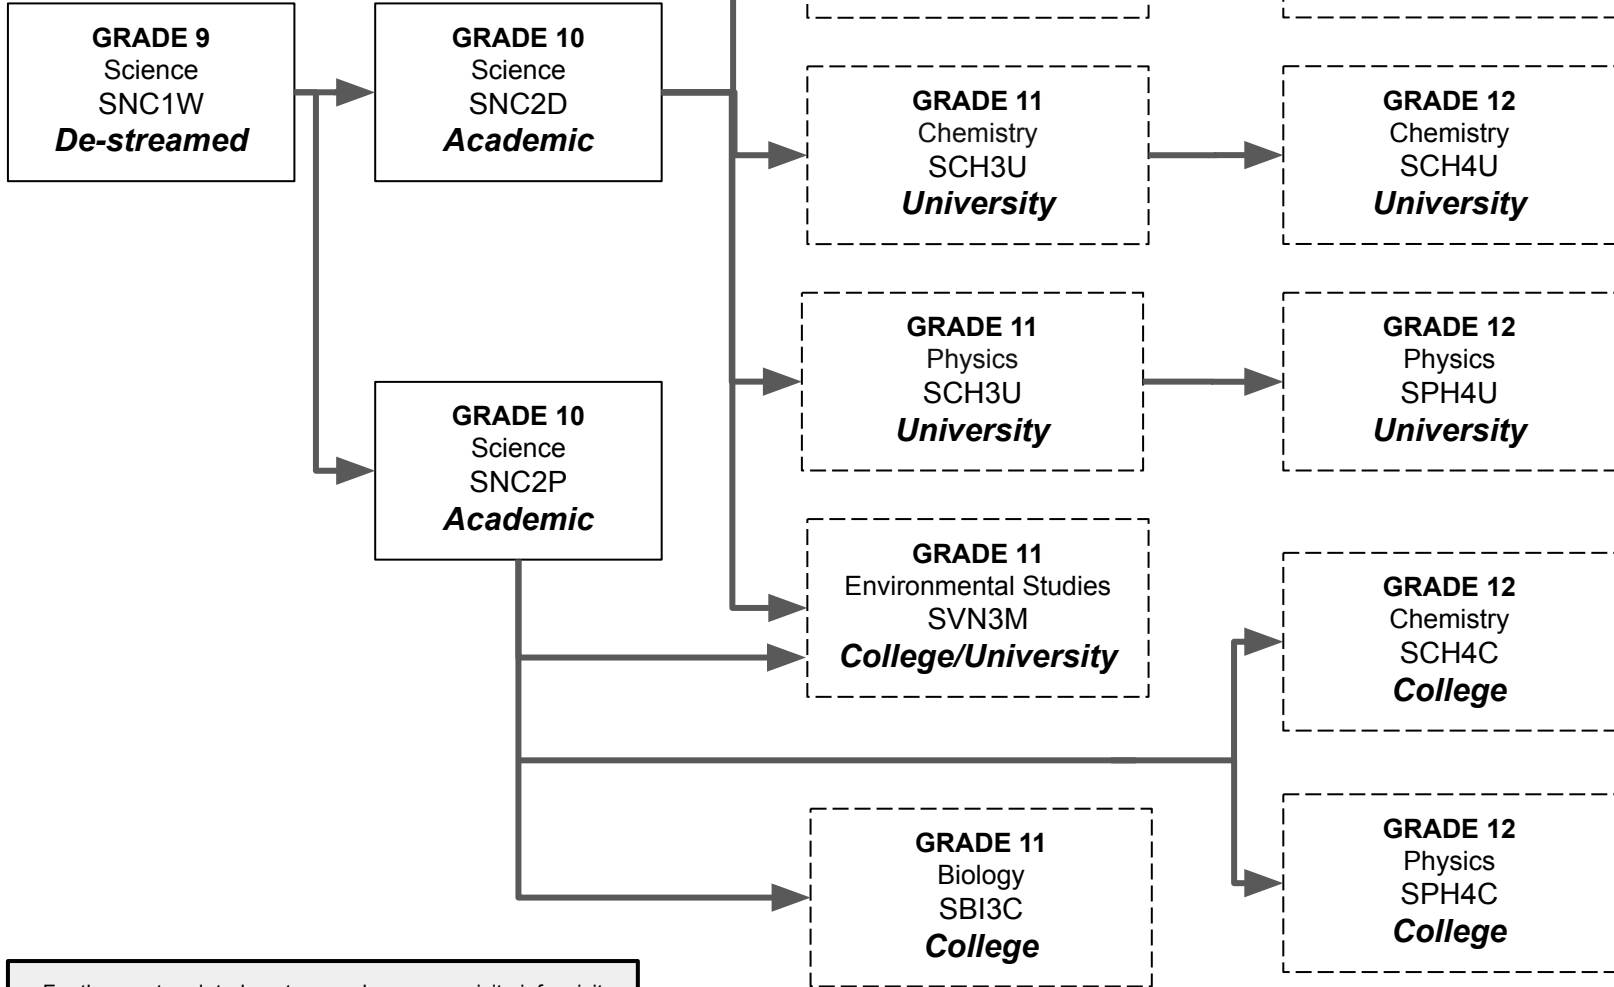

*This chart maps out all available courses, shows links between courses, and the possible prerequisites for them. It does not attempt to depict all possible movements from course to course.

---> Elective courses that do NOT fulfil the OSSD English compulsory credit requirements

Science Pathway Chart

*This chart maps out available courses, shows the links between courses, and possible prerequisites for them. It does not attempt to depict all possible movements from course to course.

Grade 12U
Biology and Chemistry are usually required for students applying to degree programs in the following fields:

- Health Science
- Life Science
- Kinesiology
- Life Science
- Nursing

Grade 12U
Chemistry and Physics are usually required for students applying to degree programs in the following fields

- Engineering (all types)
- Bachelor of Science

SPH4C or SPH3U are recommended for students pursuing a Skilled Trade requiring math (ex. electrician).

For the most updated post-secondary prerequisite info, visit www.ontariocolleges.ca and/or www.ouinfo.ca

Be Strategic

- Choose your courses wisely - This is more important than ever!!!! Particularly with your English, Math and Science. Make sure you talk to your teachers to see what they think is best.
- English, Math and Science are offered at the Applied level
- If you feel confident & happy, you will do better!
- You must select 2 alternates! We will add these courses if you have a conflict! **Select your electives and alternates wisely!**

CHOOSING PATHWAYS AND COURSES

- Students should collaborate with parents, teachers, guidance counsellors, student success/support teachers and administrators
- Students should do an honest self-assessment, matching their ability with their interests and aptitudes
- Choose a combination of course types to support different learning interests and styles
- Remember there are many pathways to initial post-secondary destinations

A close-up photograph of a hand holding a blue pen, poised to write on a document. The hand is wearing a grey, textured sweater sleeve. The background is blurred, showing a white surface, likely a desk or table.

New Courses 2024-2025

BEP201- Launching & Leading a Business

This course introduces students to the world of business and what is required to be successful, ethical, and responsible in today's economy. Students will develop the knowledge and skills needed to be an entrepreneur who knows how to respond to local and global market opportunities. Throughout the course, students will explore and understand the responsibility of managing different functions of a business. This includes accounting, marketing, information and communication technology, financial management, human resources, and production.

New Courses 2024-2025

TFJ201

Hospitality and Tourism and the Skilled Trades (Bistro)

This course provides students with opportunities to explore different areas of hospitality and tourism, as reflected in the various sectors of the tourism industry, with an emphasis on food service. Students will study culinary techniques of food handling and preparation, health and safety standards, the use of tools and equipment, the origins of foods, and event planning, and will learn about tourism attractions across Ontario. Students will develop an awareness of related environmental and societal issues, and will explore secondary and postsecondary pathways leading to careers in the tourism industry.

Plan Ahead for These Courses

Be aware that we have a few courses that are offered **EVERY OTHER YEAR** i.e.

HNB4M1-*The World of Fashion*- offered again in Sept. 2025 & 2027

CHA3U1-*American History*- offered Sept. 2024 & again in 2026

CLN4U1- *Canadian and International Law*- offered in Sept. 2024 & again in 2026

IDC4U2- *History of Film*- offered in Sept. 2025 & 2027

AWI2O1/M- *Visual Arts- Fashion & Textiles*- offered Sept. 2024 & again in 2026

If you need one of these courses and it is not being offered, have a backup plan!

Not sure what to do? Reach out to your guidance counsellor.

Select 3 Electives and 2 Alternates

The screenshot shows a digital form for course selection. It features a vertical stack of sections. The top section is a light gray box containing two entries, each with a plus sign and the word 'Course'. Below this is a section with a plus sign and the word 'Repertoire'. Underneath is a dark gray bar labeled 'Alternates'. Below that is a section with a plus sign and the word 'Alternate', followed by another section with a plus sign and the word 'Alternate'. Three yellow arrows point from the 'Course' section, the 'Repertoire' section, and the bottom 'Alternate' section towards the right.

Choose Two Elective Courses:

Select Grade 9 - Multiple Options will appear:

- Arts Huron
- Business Studies
- Computer Studies
- Dance
- Dramatic Arts
- Music
- Social Sciences - Food and Nutrition
- Special Education - GLE101
- **Technological Education - Construction, Tech. Design, Comm. Tech, Welding, Precision Mach. and Transportation (Auto), Hairstyling & Aesthetics- Mandatory in 9 or 10**
- Visual Arts

Once all eight courses are completed, a ninth box will appear - **only** fill in if you are taking AMR102 (band) or AMJ101 (choir)

Choose 2 Alternatives - select carefully -

- if choose Tech courses in electives also choose a third tech half credit in alternates

HOW TO OPT OUT OF ONLINE COURSES

If you are not planning any online learning credits in your grade 12 year, please opt out in your course planner

Please note that there is **NO direct teacher instruction for online courses. This is an asynchronous model.**

How to select online learning courses

+ Course

▼ Online Learning Courses

Online Learning Courses

Grade 10-12 • ONLINE (null) • 1 Credit • Alternative

This course is a placeholder for asynchronous Online Learning. When you choose this option, you will be prompted to choose an Online Learning course from a drop-down menu. These courses are delivered entirely online using an asynchronous model; they are not teacher-led classes at a specified time each day. These asynchronous Online Learning courses count towards the Online Learning requirement for students who entered Grade 9 in the 2020-21 school year. Students may add a maximum of two Online Learning courses to their course selections.

This is a placeholder code. You must select a course below

What if you want to take summer school?

- If you **PLAN** on taking a compulsory course at summer school, you can delete this course in myBlueprint (opt out) and choose the course that you want to take next year instead.

-typically history or careers/civics online or in school

- When you submit your courses, there is a comment box. Please indicate that you are planning to take summer school in this box or we will not be able to override your missing prerequisite.

Summer School Cont.

- Register for summer school in the spring (April/May) on myBlueprint when Summer School and eLearning registrations are opened on the Board Website (www.yrdsb.ca)
- Month of JULY - all day four weeks
- If you do not end up taking summer school (and you have taken the course off of your course requests), it is **your responsibility** to ensure it is back in your timetable for the next school year
