HURON HEIGHTS SECONDARY SCHOOL  
MASTER LIST OF COURSES 2023-2024

PROGRAMS AVAILABLE AT HURON  
EXPLORING OPPORTUNITIES PROGRAM (EOP)

(can be linked to SHSM)  
The *Exploring Opportunities Program* is designed for students with an interest and aptitude in the manufacturing, construction or transportation. Students may accumulate up to 5 credits while gaining valuable work experience and developing the essential skills and work habits needed for a career in manufacturing, construction and transportation.  
This program benefits you if:

- you are interested in participating in an *Ontario Youth Apprenticeship Program (OYAP)*
- you are interested in the option of *Accelerated Level 1 College Apprenticeship Training* during the school year
- you are considering participating in the Specialist High Skills Major Program (SHSM) in Manufacturing, Construction or Transportation.

Some certifications that may be included by the program: *CPR, First Aid, WHMIS, Fall Arrest, Propane Safety* and *CAD*.  
**Sample courses: 4–5 credit package**

- Gr. 11 or 12 College Math, 1 credit (other courses available based on student need)
- Manufacturing, construction or transportation related Technology course 1 credit
- Co-op course, 2-3 credits (depending on hours accumulated)

**COURSE NOTE:** EOP is a package designed for students over 16 years of age with a minimum of 16 credits registered in a secondary school. Demonstrated aptitude and interest in the manufacturing, construction or transportation sector is a requirement. For more information, contact the Guidance Department at Huron Heights.

**DAY E-LEARNING COURSES**  
E-Learning courses are available to York Region District High School students who require courses that are not currently available to them through day school. For further information, about registering into a Day School e-learning course and/or course availability, see your Guidance Counselor or the YRDSB [Day School Online Learning](#) website.

**SPECIALIST HIGH SKILLS MAJOR**  
OPPORTUNITIES in ALL DESTINATIONS+ HIGH SKILLS+ ENGAGING LEARNING ENVIRONMENT = SHSM!  
The Specialist High Skills Major (SHSM) is a ministry approved specialized program that allows a student in ANY PATHWAY (College, Apprenticeship, Workplace, University) to hone in on skills in a specific sector while earning a high school diploma (OSSD). By using only a few of your electives, you can earn a **SPECIALIZED DIPLOMA** including industry standard training as you discover opportunities that will help you develop your personal learning goals. Everything will be documented on your transcript as proof that you have completed the requirements needed to earn an SHSM diploma.  
How to register:  
Apply to the program: <https://bit.ly/YRDSBSHSMapp> (application also available in MyPathway Planner – Dashboard -Resources or on the [Huron Website](#))

1. To select the appropriate courses: Begin by selecting SHSM on the right hand side of your screen in the IPP course planner
2. Select a sector (see options below) and pathway (workplace, college, apprenticeship, university). It will show you the requirements (may not be the most updated. [Check pathway charts](#)). Pick appropriate courses according to the planner.
3. Check the requirements: All pathway charts and requirements are listed under HOME >> Resources in MyPathwayPlanner.
4. Contact Ms. Phylactou if you have additional questions: 905-895-2384 x192 or make an appointment via TeachAssist.
