HURON HEIGHTS SECONDARY SCHOOL MASTER LIST OF COURSES 2021-2022

PROGRAMS AVAILABLE AT HURON

EXPLORING OPPORTUNITIES PROGRAM (EOP)

The *Exploring Opportunities Program* is for students with an interest and aptitude in the manufacturing, construction or transportation sectors (e.g. Precision Machining, CNC programmer, millwright, welder, furniture maker/cabinetmaker, construction millwright, industrial millwright...). Students may accumulate up to 5 credits while gaining valuable work experience and developing the essential skills and work habits needed for a career in the manufacturing industry.

This program benefits you if:

- you are interested in participating in an *Ontario Youth Apprenticeship Program (OYAP)*
- you are interested in the option of *Accelerated Level 1 College Apprenticeship Training* during the school year
- you are considering participating in the Specialist High Skills Major Program (SHSM) in Manufacturing, Construction or Transportation.

Some certifications that may be included by the program are: *CPR, First Aid, WHMIS, Fall Arrest, Propane Safety* and *CAD*. Second semester offers a great opportunity for you to be able to earn a college credit while still in high school through our "Dual-Credit" Program with Georgian College (weekly training on Fridays in May/June in the Engineering Technology Division at Georgian College).

Sample courses: 2-5 credit package (there is the possibility of taking this as a 2-credit program if needed)

Gr. 11 or 12 College Math, 1 credit (other courses available based on student need)

Manufacturing, construction or transportation related Technology course, 1 credit

Co-op course, 2-3 credits (depending on hours accumulated)

COURSE NOTE: This is a package designed for students over 16 years of age with a minimum of 16 credits registered in a secondary school. Demonstrated aptitude and interest in the manufacturing, construction or transportation sector is a requirement. For an application package, contact the Guidance Department at Huron Heights.

DAY E-LEARNING COURSES

E-Learning courses are available to York Region District High School students who require courses that are not currently available to them through day school. For further information, about registering into a Day School e-learning course and/or course availability, see your Guidance Counselor.

SPECIALIST HIGH SKILLS MAJOR

OPPORTUNITIES in ALL DESTINATIONS+ HIGH SKILLS+ ENGAGING LEARNING ENVIRONMENT = SHSM!

The Specialist High Skills Major (SHSM) is a ministry approved specialized program that allows a student in ANY PATHWAY (College, Apprenticeship, Workplace, University) to hone in on skills in a specific sector while earning a high school diploma (OSSD). By using only a few of your electives, you can earn a **SPECIALIZED DIPLOMA** including industry standard training as you discover opportunities that will help you develop your personal learning goals. Everything will be documented on your transcript as proof that you have filled the requirements needed to earn an SHSM diploma.

Begin by selecting SHSM on the right hand side of your screen of your course planner.

1. Apply to the program: <http://bit.ly/YRDSBSHSMapp>
2. To select the appropriate courses: Begin by selecting SHSM on the right hand side of your screen in the IPP course planner
3. Select a sector (see options below) and pathway (workplace, college, apprenticeship, university). It will show you the requirements (may not be the most updated. Check pathway charts). Pick appropriate courses according to the planner.
4. Check the requirements: All pathway charts and requirements are listed under HOME >> Resources in your IPP Planner
5. Select the checkbox that indicates you are interested in SHSM. This will add you to a list, however it is your responsibility to check in with Ms Phylactou.
6. Contact Ms. Phylactou if you have additional questions: 905-895-2384 x192 or make an appointment via TeachAssist.

MAJORS AVAILABLE AT HURON HEIGHTS

Arts and Culture — (Native Clothing Artisan, Aesthetician, Hairstylist, Patternmaker, Graphic Designer, Broadcast Technician, Visual Artists, Public Relations, Audio Engineering, Technical occupations related to Museums and Art Galleries, Exhibit designers). We encourage students to take at least one course in Native Studies or Technology related to their field of interest as one of their four required major courses.

Construction — (Construction, Electricity, Green Technologies, Architecture, Plumbing, Civil Engineering, Stone Masonry, Interior Design)

Health and Wellness — (Health Care [e.g. PSW, Nursing, Dentistry], Social Work/ Counselling, Fitness)

Hospitality and Tourism — (Pastry Chef, Chef, Food and Beverage Server, Hotel Management, Ecotourism, Nutritional Sciences, Dietician, Food Bacteriologist)

Manufacturing — (Welding, Precision Machining, Furniture Making, Mechanical Engineering, Machine Operator)

Transportation — (Motive Power, Green Technologies)

DUAL CREDIT PROGRAM

A Dual Credit course allows senior students to earn high school credits and college credits at the same time in the same course. You can experience college life while still in high school, at no cost to you. This is an opportunity to try something new while exploring different program pathways.

For options available, see Dual Credit Tab under High School/Courses in myPathwayPlanner on the [YRDSB Main Page](#). Select course and then see a Guidance Counsellor for additional application process.

Many Dual Credits will count for SHSM Major Credits.

SOCIAL JUSTICE CERTIFICATE

Mission - Our mission is to promote the knowledge, skills, values and practices to meet the social, economic and environmental challenges of sustaining social justice.

Certificate Requirements: Students may earn the social justice certificate by fulfilling three requirements:

- a) successful completion of seven courses with an average of 70% from designated social justice course groupings: economic, social, political and environmental;
- b) successful completion of 80 hours of community service;
- c) participation in extra-curricular clubs/groups which promote a positive school culture through informed decision making and active civic participation (PEACE club, Peer Ambassadors, Peer Mentors, Empowered Student Partnerships with police, Student Council, Athletic Council, Drama Council, Music Council).

Eligible Courses - see on-line calendar for specific courses

Service TRIPS - Students may participate in an organized service trip in their senior grades to another community. Possible trips: might visit a Canadian community or an overseas community.

Legend: BSP/ASP – Before School/After School Program
✂ – Courses eligible for Social Justice Certificate
Italicized Courses run every other year (will run in year indicated)
