Admin Update by Nancy

- Parent Teacher Interview went well
- Remembrance Day Assembly went well
- Book Fair, we made a good amount and the amount will come back to the school for more books
- Spirit Wear was a great hit, expecting to arrive before the holidays
- Gifted testing happened last week for all Gr.3s
- EQAO results were sent home last week for our current Gr.4 & 7 students
- School Improvement Planning (SIP)
- Every Student Count Survey
- Winter Festival Sing-a-long
- DPA Dance before the holidays

Healthy Schools Update by Marlee

- Intramurals are up and running every morning and lunch recess for our K-8 students and are led by Healthy School Student Leaders and Student Leadership Team members
- The second Wednesday of the month is a school wide walk - classes are encouraged to go on a walk at some point in their day

●Our Golden and Silver Shoe awards have been passed out to the winning classes each month - just to clarify, the classes get surveyed on random days and students are asked if they walk to school and those are tallied at the end of each month to see which classes are the winners in each division. If you park and walk a block, it counts as walking to school, as well as if the student comes on the bus as it is an eco-friendly method of transportation.

●December 14 will be our jingle walk - students can receive a bell for walking to school and can take it on their school wide walk that day

●Family Fun Nights are every last Thursday of the month and have been very well attended - in the gym and library. We are taking December off, but will resume on January 26th.

Fundraising Plan by Kelly and Lavina
