A final message to the Gibson community from Ms. Fischer....

As my time at Joseph A. Gibson comes to an end, I want to thank the families, students, staff and community members for your patience, support and encouragement over the years. Becoming Principal at Gibson was such a rewarding and enriching experience for me and although I am excited about retirement and engaging in new ventures that will bring me joy 😊 – I will miss coming to school every day and want to let you know how much incredible joy Gibson has brought to my life over these past 8 ½ years.

Although some may think that spending over eight years at one school is too long for an administrator, I would argue otherwise. The time I have spent here at the school has given me the opportunity to become an integral part of an amazing school community – but more importantly, it allowed me the time to build sustainable and positive relationships with families, students and staff. These strong relationships were built on trust, honesty, open communication and mutual respect and allowed us to work together towards a common goal - putting students first and providing an inclusive and welcoming school so that everyone felt like they belonged. I am so proud of everything we have achieved together over the past few years.

Thank you for all the wonderful memories, Gibson, and for making my time here such a terrific way to end a career that I have loved for over 33 years. It has been the BEST rollercoaster ride of my life!

Claudia Fischer
