# Land Acknowledgement

We affirm that we are all treaty people and acknowledge that the York Region District School Board is located on the lands of two treaties. These treaties have been signed with the Mississaugas of the Credit First Nation and the First Nations of the Williams Treaties who are: the Mississaugas of Alderville, Curve Lake, Hiawatha, Scugog Island; and the Chippewas of Beausoleil, Rama, and Georgina Island who is our closest neighbour and partner in education.

To honour this agreement we will take up our responsibility to be respectful of their traditions, knowledge and inherent rights as sovereign nations. We will respect their relationship with these lands and recognize that our connection to this land is through the continued relationship with these First Nations, and we acknowledge our shared responsibility to respect and care for the land and waters for future generations.

The background of the slide features a stylized, colorful illustration of Indigenous faces and patterns. The faces are rendered in a folk-art style with large, expressive eyes and traditional headgear. The patterns include geometric shapes, swirls, and floral motifs in shades of orange, blue, and pink. The overall aesthetic is vibrant and culturally rich.

## What is our goal?

To foster empathy, respect and understanding in students for different cultures; in particular, Indigenous groups in Canada.

### RATIONALE

**Surveys in YRDSB** amongst students in secondary schools show that they see Indigenous Education only as Residential Schools and Colonisation. **They have come to pity Indigenous peoples without appreciation for their resilience and rich culture & history.**

# INCLUSION ACTIVITY!

**Month 1 is almost over...pick one  
key on the keyboard that  
describes the first month of  
school for you and your family.**

*Words to live by...*

**“For me, success is not about the wins and losses. It’s about helping these young fellas be the best versions of themselves on and off the field.”**

## Rationale:

- No changes to staffing allocation
- Need to balance out Primary classes (there will be movement in all Primary classes this week)
- Numbers support having straight classes in Junior division
- Some teacher assignments will change
- All teacher timetables will change
- We needed to reduce Phys. Ed and Music across the board to adhere to Ministry requirements
- We hope to have updated timetables to teachers by Friday
- We hope to have all changes communicated and kids to start in new classes by Tuesday (Day 1)
