### Budget Report:

No financial report was provided for today's meeting, however there is currently approximately \$3000 in the School Council account, (\$1500 general and \$1500 for parent engagement). There is a grant for an additional \$500-800 that might be submitted by the council.

Grade 8 students have inquired about rebranding the school (i.e. The Jets). Students do not feel it is relevant to the school culture, nor find it representative of the French Immersion. Mr. Gheewala will go to Board to enquire about the logistics before further discussion. It noted the implications this may have as well as possible suggestions on how to make this a school wide initiative.

3. Teacher Report: no report today, teacher representative was present (Ms. Minhas)

4. Fundraising

Movie Night: to be planned

Sushi Day Lunch: to be planned
