- Easter Monday: Monday, April 18th

WHAT'S HAPPENING AT JULLIARD

Details

BORC (Burlington Outdoor Education Centre)

- In February, our Grade 2 and Grade 4 students and teachers went on a field trip to BORC. Our students had a wonderful time.
- They discovered together what grows and lives at BORC and in your community and used their senses to connect to nature.
- The skilled teachers at BORC connected the experiences and discoveries to the Ontario curriculum.
- Grade 4 students went snowshoeing, the Grade 2 students looked at birds and animals.

TAIBU

- On Friday, March 4th, and Friday, March 11th, our Grade 5 classes will be engaging in virtual workshops facilitated by our community partner, TAIBU Community Health Centre, to support our ongoing learning about anti-racism, anti-oppression, and identity-affirming practices.
- This learning is supported by school social workers.

BLACK HISTORY MONTH

- Teachers shared activities, videos, prompts, and texts with their students.
- Our Teacher Librarian, Mme Maley, created some informative resources to celebrate Black Excellence that can be accessed this month, and throughout the school year.
- Students shared daily morning announcements featuring information about prominent Black Canadians.

PINK SHIRT DAY

- Mme Losseva, our Mental Health Lead teacher, created an activity for all homeroom classes.
- Teachers encouraged students to think of several ways to show kindness and then record their thoughts on handprints.
- The handprints were posted to create a rainbow display in our front hallway.

COVID PROTOCOLS AND MASKING

- While there are changes to some restrictions in the province, schools continue to be required to follow the [health and safety and operational guidelines for schools](#) established by the provincial government.
- The current health and safety requirements in our schools, developed in collaboration with York Region Public Health, will continue to be in place until we are advised otherwise by local and provincial health authorities.
- These include all students in Kindergarten to Grade 12 properly wearing a non-medical or cloth mask while inside the school and the daily confirmation of the completion of the [COVID-19 School Screening Tool](#). More information may be found on the Board's [website](#).
- As guidelines change, we will continue to keep you up to date.
